Studies In The Of Revelation:

Studies in the Book of Revelation Steve Moyise, 2002-02-01 General and scholarly interest in Revelation has never been greater This is a specially commissioned set of state of the art studies on the most important aspects of Revelation and its significance for the 21st century by the world s leading scholars The studies can be grouped in relation to three main themes strategies of interpretation theological literary feminist metaphorical the nature of the violent imagery and passages of particular interest the letter to Laodicea praise and politics Old Testament allusions the second coming of Christ This book will provide an invaluable resource for researchers and students alike *Studies in the Book of Revelation* Stephen

Alexander Hunter, 1928 **Revelation** R. Paul Stevens, 1999-01-01 Material for Bible Study groups or individuals

Studies In The Book of Revelation Stephen Alexander Hunter, 2021-01-01 Stephen Alexander Hunter s *Studies in the Book of Revelation* provides clear and accurate results of the investigation of modern scholars in language which is comprehensible to the intelligent reader of the English Bible The Revelation of St John has been an enigma from the earliest Christian centuries On the one hand it has been shunned because of its mysteriousness on the other it has been discredited for sober minded intelligent Christians by the absurd vagaries of its interpreters *The Book of Revelation and Its Interpreters* Ian Boxall, Richard Tresley, 2015-11-25 The Book of Revelation has fired the imaginations of theologians preachers artists and ordinary Christians across the centuries The resulting number of commentaries on the book is enormous and most studies can only touch upon at most a representative sample of this vast literature As a consequence many focus largely on the interpretation of the Apocalypse only within specific periods such as the patristic period or during the Reformation One result of this severe limitation given the vast literary corpus is how historical interpretations in critical commentaries of the Book of Revelations tend to prioritize authors from the modern period In *The Book of Revelation and Its Interpreters* Short Studies and an Annotated Bibliography editors Richard Tresley and Ian Boxall fill a significant gap in the scholarly literature At its heart is an extensive annotated bibliography covering commentaries on the book up to 1700 including most of the early illuminated Apocalypses Supporting the presentation of this survey of the historical interpretations of the Book of Revelation is an extended overview of Revelation s often colorful reception history by Christopher Rowland together with a number of short studies on various aspects of the book These include discussions of specific commentators such as Sean Michael Ryan s look at Tyconius and Francis X Gumerlock exploration of Chromatius of Aquileia alongside a more general treatment of Revelation s impact on the figure of John of Patmos in an essay by Ian Boxall and the visual reception of Revelation in Natasha O Hear s article *The Book of Revelation and Its Interpreters* provides a valuable bibliographical resource for those working in the field of Biblical Studies history of Christianity eschatology and apocalyptic studies The accompanying essays orient the authors recorded in the bibliography within a larger context offering specific examples of the Apocalypse s capacity to speak in fresh and often surprising ways to diverse audiences throughout

history **Revelation** M.R. DeHaan,2015-05-07 Blessed is he that readeth and they that hear the words of this prophecy and keep those things which are written therein for the time is at hand Rev 1 3 Behold I come quickly blessed is he that keepeth the sayings of the prophecy of this book Rev 22 7 The author of the book of the revelation is Jesus Christ Rev 22 16 The Lord intended that this book should be read and studied especially by His people Rev 1 3 It is not a sealed book as many suppose but one which is open and easy to understand Rev 22 10 Bearing these facts in mind we find the study of Revelation to be fascinating illuminating and deeply profitable instead of difficult and confusing The messages in this volume constitute thirty five radio sermons which were preached first over the Mutual Network and by foreign and short wave stations around the world from August 1945 to April 1946 The response to these radio messages was so enthusiastic and the evident desire for light on the book of the Revelation so general that we soon decided to print these studies on one volume Hence this book No attempt has been made to present an exhaustive verse by verse exposition of the book but rather we have tried to present the general outline the basic structure and the framework We have dwelt at length on certain passages because they constitute the pillars of the book Our purpose is to present clearly the general outline and structure and then the details will fall naturally into their proper places If certain simple rules are followed in reading and studying it the book of the Revelation becomes clear logical and easily understood We present here a few rules which should be observed before studying the book 1 Revelation is not a dark book It is a revelation 2 It is not necessary for one to understand all the symbols and details if he is to gain a deeper knowledge of the book as a whole One need not be able to identify every tree in the forest to appreciate the beauty of the forest as a whole 3 Observe the rule of literal interpretation The greatest curse of the Christian Church is the evil of spiritualizing the Bible Although there are many symbols and signs in the book as in every other book and in our daily conversation the context indicates whether a passage is to be interpreted literally or symbolically Interpret literally except where the context or grammatical structure clearly indicates that the reference is a symbol or a sign 4 Approach the Book with a fresh mind Try to forget the views you have held concerning the Book because others have declared it to be mysterious and beyond our understanding Thousands of believers never read Revelation but carefully avoid it simply because someone told them it is a dark book and impossible to understand Study the book for yourself 5 Read the book prayerfully realizing that the Holy Spirit who infallibly inspired the book is also the person Who must illuminate the book Never read a portion of scripture without first asking Him for light and guidance We submit for your help the following simple outline of Revelation Remember these five rules as you study it If you will memorize the outline thoroughly and keep it clearly before your mind you will have no trouble filling in the details Grand Rapids Michigan M R DeHaan **Revelation** Wayne Jackson,2004 **Dynamic Studies in Revelation** Fred A. Scheeren,2015-02-03 A multitude of questions haunt men and women as they contemplate this mysterious book They often ask Are we living in the end times How will the world end Will we be ready How shall we then live However this need not be such a mystery Fred Scheeren guides us through the book of

Revelation by relating it to the whole of Scripture to answer these life altering questions Dive into this exciting study for a life changing experience you will never forget Studies in Revelation Hampton J. Keathley, 3rd,1999 **Revelation of God's Word** Paul D. Rusnak,2019-03-19 This book is a collection of studies from over fifty years of studying It contains new revelation of scripture It addresses subjects like New Revelation about the Beast of Time Paul s thorn in the flesh the Tree of Life why Jesus doesn t know when the last day will be and much more
