Studio Nudes Craig Morey,1992-01-01      *Edward Weston Nudes* Edward Weston,Charis Wilson,1977 In the present volume Charis draws upon her experiences as both model and partner to offer a uniquely informed remembrance not only of Weston s nudes which comprise the largest single category of his output but also of the man himself Of her first encounter with Weston s photographs of the nude Charis writes Nothing could have been farther from Art Poses than Edward s nudes and I was fascinated by their strong individuality as body portraits At first I had the same trouble with the peppers dead birds and eroded planks I couldn t get past the simple amazement at how real they were Then I began to see the rhythmic patterns the intensely perceived sculptural forms the subtle modulations of tone of which these small perfect images were composed And I began to appreciate the originality of the viewpoint that had selected just these transitory moments and made them fast against the current of time Edward Weston the most highly revered of photographers his nude photographs emerge in fugues of craft and insight neither nude nor naked but filled with life Jacket flap      **Studio Nudes 3** Mishai

Nudes Jefferson Powers,2012-08-22 Between 1995 and 2002 Denver based photographer Jefferson Powers shot a series of fine art nudes His living room was his studio with bedsheets hung on the walls and furniture shoved into the corners His lights were cheap garage style clamp lights clamped to the edges of bookshelves His models were friends acquaintances and sometimes near total strangers who he worked up the nerve to ask to pose None of them were professional models although a few went on to pursue careers in modeling and acting He developed his film and prints in a basement darkroom with equipment that was old when he got it and would be considered positively archaic now Much of this work was shown in local galleries and coffee shops and has been featured on several websites and in a print anthology One image even made it onto a poster for a local theater production However this is the first definitive collection of Jefferson s fine art nude images      **20th**
