Reader's Guide to Literature in English Mark Hawkins-Dady, 2012-12-06 Reader's Guide Literature in English provides expert guidance to and critical analysis of the vast number of books available within the subject of English literature from Anglo Saxon times to the current American British and Commonwealth scene It is designed to help students teachers and librarians choose the most appropriate books for research and study

Lyric Interventions Linda A. Kinnahan, 2005-05 Lyric Interventions explores linguistically innovative poetry by contemporary women in North America and Britain whose experiments give rise to fresh feminist readings of the lyric subject The works discussed by Linda Kinnahan explore the lyric subject in relation to the social an I as a product of social discourse and as a conduit for change Contributing to discussions of language oriented poetics through its focus on women writers and feminist perspectives this study of lyric experimentation brings attention to the cultural contexts of nation gender and race as they significantly shift the terms by which the experimental is produced defined and understood This study focuses upon lyric intervention in distinct but related spheres as they link public and ideological norms of identity Firstly lyric innovations with visual and spatial realms of cultural practice and meaning particularly as they naturalize ideologies of gender and race in North America and the post colonial legacies of the Caribbean are investigated in the works of Barbara Guest Kathleen Fraser Erica Hunt and M Nourbese Philip Secondly experimental engagements with nationalist rhetorics of identity marking the works of Carol Ann Duffy Denise Riley Wendy Mulford and Geraldine Monk are explored in relation to contemporary evocations of self in Britain And thirdly in discussions of all of the poets but particularly accented in regard to Guest Fraser Riley Mulford and Monk formal experimentation with the lyric I is considered through gendered encounters with critical and avant garde discourses of poetics Throughout the study Kinnahan seeks to illuminate and challenge the ways in which visual and verbal constructs function to make readable the subjectivities historically supporting white male centered power within the worlds of art poetry social locations or national policy The potential of the feminist innovative lyric to generate linguistic surprise simultaneously with engaging risky strategies of social intervention lends force and significance to the public engagement of such poetic experimentation This fresh energetic study will be of great interest to literary critics and women's studies scholars as well as poets on both sides of the Atlantic

A History of Twentieth-Century American Women's Poetry Linda A. Kinnahan, 2016-06-20 A History of Twentieth Century American Women's Poetry explores the genealogy of modern American verse by women from the early twentieth century to the millennium Beginning with an extensive introduction that charts important theoretical contributions to the field this History includes wide ranging essays that illuminate the legacy of American women poets Organized thematically these essays survey the multilayered verse of such diverse poets as Edna St Vincent Millay Marianne Moore Anne Sexton Adrienne Rich and Audre Lorde Written by a host of leading scholars this History also devotes special attention

to the lasting significance of feminist literary criticism This book is of pivotal importance to the development of women's poetry in America and will serve as an invaluable reference for specialists and students alike *Encyclopedia of American Poetry: The Twentieth Century* Eric L. Haralson, 2014-01-21 The Encyclopedia of American Poetry The Twentieth Century contains over 400 entries that treat a broad range of individual poets and poems along with many articles devoted to topics schools or periods of American verse in the century Entries fall into three main categories poet entries which provide biographical and cultural contexts for the author's career entries on individual works which offer closer explication of the most resonant poems in the 20th century canon and topical entries which offer analyses of a given period of literary production school thematically constructed category or other verse tradition that historically has been in dialogue with the poetry of the United States
