the Deposit of Two Copies in the Office Library of Congress. Copyright Office,1978 **Discrimination and Disparities**
Thomas Sowell,2019-03-05 An enlarged edition of Thomas Sowell s brilliant examination of the origins of economic
disparities Economic and other outcomes differ vastly among individuals groups and nations Many explanations have been
offered for the differences Some believe that those with less fortunate outcomes are victims of genetics Others believe that
those who are less fortunate are victims of the more fortunate Discrimination and Disparities gathers a wide array of
empirical evidence to challenge the idea that different economic outcomes can be explained by any one factor be it
discrimination exploitation or genetics This revised and enlarged edition also analyzes the human consequences of the
prevailing social vision of these disparities and the policies based on that vision from educational disasters to widespread
crime and violence
