

Study Guide

Marxism, Socialism, and Communism

Episode 1 The Journalist Marx

Suggested Readings

- Karl Marx and Friedrich Engels, "The Communist Manifesto," in *The Marx-Engels Reader*.

Outline

0:00-6:31 — Political and Social Changes

- The Industrial Revolution began in Britain around the mid-1700s and spread to the rest of Europe and America over the next century.
 - People flocked to the cities looking for factory work, which created large concentrations of workers living together in dire poverty and makeshift housing.
 - Massive wealth and social inequality arose between investors, bankers, factory owners, and the working class.
- In 1789, the French Revolution signaled the death knell of the ancient regime of Europe, which was a combination of monarchy, nobility, and clergy.
- European society embraced the new economic trends created by the Industrial Revolution, which caused widespread social dislocation throughout Europe and created a new class of people with political power: the bourgeois, consisting of factory owners and wealthy industrialists.

6:32-26:44 — Karl Marx

- Karl Marx was born to an upper-middle-class, Jewish family in Prussia on May 5, 1818.
- Marx met Friedrich Engels in 1844 in Paris. Together they helped found the Communist League.
 - Marx and Engels wrote the *Communist Manifesto* to clarify the political principles of the Communist League.
 - The failed revolutions across Europe in 1848 were not spurred by the *Manifesto* but revealed the political and social upheaval in Europe at the time of its publication.

Study Of Communism

M Planty
