How to Study Smart! NOT Hard! Shahana S, 2021-04-26 How to Study SMARTER NOT Harder Effective Smart study tips and techniques to study in half the time. Do you spend hours every day studying? Yet at the end of the day you can't recall what you have studied. Does it happen to you that you prepare well for an exam and when you enter the exam room you go blank? You forget everything. You get confused for every question and no matter how hard you try, you are unable to recall what you have studied. And your results are not as promising as you have anticipated. Despite spending hours of study every day, you can't recall what you have studied. You begin to question if it was all a waste. Every effort you did DIDN'T help. You succeed. You are not alone. Many of the students feel the same way. The problem is not YOU. It is never You. It's the way you study. Surprised? You will be. IMPORTANT NOTE: The way we are told to study is WRONG. The way you study has a huge impact on how well you can perform in any subject. The fact is every student has the potential to excel. The only difference is how effective is their study strategy. By just changing the way you study, you can dramatically improve your study efficiency. The SMART STUDY is all about how you can study effectively, efficiently, and SMART. In this book, you will learn HOW to do that. The SMART STUDY Techniques given in this book are taken from scientifically proven methods. You will learn how you can actively study, methods, effective recall, methods, powerful memory tools, strategies used for SMART STUDY. Effectively study without rote learning. Able to remember what you have studied for a long time. Cut your study time in half. Study even the most complex topics easily. Avoid confusion during the exams. Smart study facts. The myths about studies and how you can avoid them. You will not just learn about the techniques; you will know how and when to use them.
