

A futuristic illustration of a human head in profile, facing left. The head is rendered in a dark, metallic, wireframe-like texture. Inside the head, the brain is depicted with a complex, glowing blue and purple circuitry pattern. The brain is surrounded by a circular ring of light. Above the head, several glowing light bulbs are arranged in a semi-circle, connected by thin, glowing lines that resemble circuitry. The background is dark with a subtle pattern of glowing lines and dots, suggesting a digital or neural network. At the bottom, a rectangular box contains the text "SUPER MEMORY".
