Supporting Families Child Protection In The Community

Ilze Earner, Alexandra Telitsyna

Supporting Families Child Protection In The Community:

Supporting Families Ruth Gardner, 2003-03-28 Recent government initiatives and developments in professional practice have been designed to help families in difficulty effectively in order to prevent child harm This book examines whether these changes have worked by examining a large scale study conducted by the NSPCC and drawing out the main messages for practice and future policy The research findings are set out in terms of children s and families needs and expectations agency interventions and outcomes community context measures and perceived changes over time Highly topical national priority designated by government Professionals are required to learn quickly about this and little information is presently available to them Clear presentation lots of boxes and diagrams to be incorporated **Supporting Families** Mary Ruth

Gardner, 2003 *Supporting Families in Crisis* Barry Leonard, 2009-05 Natural disasters illness layoffs shootings and family violence are events experienced by families In many of these highly stressful or traumatic situations the lives of families are disrupted and basic family responsibilities may not be met Head Start staff throughout the country report the growing and complex needs of the children and families they serve This guide offers Head Start staff training on how to prevent identify and respond to family crises in ways that can build resiliency in families Focuses on the skills of crisis prevention and intervention Examines issues of family and staff safety at a number of levels risk assessment protection of family members staff self protective measures and program measures aimed at staff safety Illustrations **Protecting Children and**

Supporting Families Gary Cameron, Jim Vanderwoerd, Leslea Peirson, 1997-01-01 This book highlights encouraging news about programs that produce better outcomes for disadvantaged children and families It includes a comprehensive and up to date synthesis of the research evidence available on the effectiveness of these promising programs Particular attention is given to programs with a demonstrated potential to prevent child abuse and neglect and family breakdown **Family**

Support as Reflective Practice John Canavan, John Pinkerton, Pat Dolan, 2006-01-27 Contributors to this book provide international perspectives on core issues in family support Providing a combination of clear theoretical frameworks and practical guidance with clear how to messages and a strong emphasis on evaluation this book will be of interest to social workers working in all areas of family support The Development of Child Protection Systems and Practice in Low- to

Middle-Income Countries Louise Brown, Thomas El-Hoss, Alinka Gearon, 2025-01-17 Child protection systems across the globe are developing at pace each reflecting their unique economic social and cultural contexts This book provides an overview of 11 child protection systems from low and middle income countries and discusses the formal and informal responses countries are making to the shared problem of child abuse and maltreatment Within each chapter vignettes give readers a window into how each country s child protection system operates in practice This is essential reading for academics social work professionals and anybody working within child and family welfare The Development of Child Protection Systems in the

Post-Soviet States Ilze Earner, Alexandra Telitsyna, 2021-04-16 This volume provides an understanding of how systems of

child protection evolve in disparate cultural social and economic contexts Using the former Soviet Union as a starting point it examines how 13 countries have developed defined and evolved their system of protecting children and providing services to families over the last 25 years since independence The volume runs an uniform approach in each country and then traces the development of unique systems contributing to the international understanding of child protection and welfare This volume is a fascinating study for social scientists social workers policy makers with particular interest to those focusing on children youth and family issues alike as each chapter offers a clear and compelling view of the central changes competing claims and guiding assumptions that have formed each countries individual approach to child protection and family services

Protecting Children, Strengthening Families United States. Congress. Senate. Committee on Health, Education, Labor, and Pensions. Subcommittee on Children and Families,2009 *Social Work Child Welfare Practice* Giesela Grumbach,JoDee Keller,Yolanda Jordan,2024-05-06 Blends practitioner focused and culturally responsive interventions to provide an innovative approach to learning With the aim of transforming flawed child welfare practices and policies into a more equitable system this comprehensive practice based text delves into contemporary child welfare practice from antiracist social justice and decolonial perspectives Incorporating first hand knowledge of day to day practice the book examines the many roles of professional child welfare workers foundational skills they need to work in the field the challenges and promises of trauma informed practice how to maintain a dedicated workforce and strategies for reshaping the system This book covers child welfare practice thoroughly from reporting to investigating and everything in between It also explores relevant policies signs of abuse neglect building relationships anti racist approaches and the importance of cultural sensitivity Throughout it emphasizes the trauma experienced by children and families involved in the system and the impact on child welfare professionals Learning objectives reflection boxes discussion questions and additional resources are included in every chapter to provide opportunities for students to apply concepts Additionally case studies in most chapters offer practical applications to real world situations To accompany the book qualified instructors have access to an Instructor Manual Sample Syllabus Test Bank chapter PowerPoints and supplemental videos covering topics such as careers engagement and foster care Key Features Informed by real world experience demonstrated through case studies reflection boxes and discussion questions Weaves antiracist social justice and decolonial perspectives throughout and includes the viewpoints of diverse voices from the field Provides extensive coverage of trauma informed practice Devotes a separate chapter to the unique issues of foster children in school settings Connects content to the 2022 Educational Policy and Accreditation Standards from the Council on Social Work Education Covers a broad range of career opportunities for child welfare workers in myriad settings *Departments of Labor, Health and Human Services, Education, and Related Agencies Appropriations for 2009* United States. Congress. House. Committee on Appropriations. Subcommittee on the Departments of Labor, Health and Human Services, Education, and Related Agencies,2008
