Porfilio, 2012-10-13 In an age of unprecedented corporate and political control over life inside of educational institutions this book provides a needed intervention to investigate how the economic and political elite use traditional artifacts in K 16 schools to perpetuate their interests at the expense of minoritized social groups The contributors provide a comprehensive examination of how textbooks the most dominant cultural force in which corporations and political leaders impact the schooling curricula shape students thoughts and behavior perpetuate power in dominant groups and trivialize social groups who are oppressed on the structural axes of race class gender sexuality and disability Several contributors also generate critical insight in how power shapes the production of textbooks and evaluate whether textbooks still perpetuate dominant Western narratives that normalize and privilege patriotism militarism consumerism White supremacy heterosexism rugged individualism technology and a positivistic conception of the world Finally the book highlights several textbooks that challenge readers to rethink their stereotypical views of the Other to reflect upon the constitutive forces causing oppression in schools and in the wider society and to reflect upon how to challenge corporate and political dominance over knowledge production A Long Dark Night J. Michael Martinez, 2016-04-14 For a brief time following the end of the U S Civil War American political leaders had an opportunity slim to be sure but not beyond the realm of possibility to remake society so that black Americans and other persons of color could enjoy equal opportunity in civil and political life It was not to be With each passing year after the war and especially after Reconstruction ended during the 1870s American society witnessed the evolution of a new white republic as national leaders abandoned the promise of

Reconstruction and justified their racial biases based on political economic social and religious values that supplanted the old North South slavery abolitionist schism of the antebellum era A Long Dark Night provides a sweeping history of this too often overlooked period of African American history that followed the collapse of Reconstruction from the beginnings of legal segregation through the end of World War II Michael J Martinez argues that the 1880s ushered in the dark night of the American Negro a night so dark and so long that the better part of a century would elapse before sunlight broke through Combining both a top down perspective on crucial political issues and public policy decisions as well as a bottom up discussion of the lives of black and white Americans between the 1880s and the 1940s A Long Dark Night will be of interest to all readers seeking to better understand this crucial era that continues to resonate throughout American life today

Almanac African American Heritage Johnnie H. Miles,2001 Written by four African American professionals with over 75 years of collective experience in education and counseling this resource celebrates the contributions of black men and women to the United States beginning with the first slave ships to cross the Atlantic and culminating at the close of the 20th century **Jet** ,1981-12-17 The weekly source of African American political and entertainment news
