Sure Thing What We Believe And Why:

A Sure Thing Cornelius Plantinga, Jr., 2001-07-01 A unique devotional format that clearly and systematically teaches students the language and basic truths of the Christian faith within the Reformed tradition as summarized in Scripture and the Reformed confessions

5 Wayne Whitaker, 2015-10-14 Evangelism is a word that strikes fear in the hearts of even the most faithful Christians Though believers realize their responsibility to connect others to Christ many feel intimidated by the task A plethora of programs and processes have been developed to aid believers in evangelism however these can often feel impersonal inauthentic or awkward In frustration many believers have given up hope of ever feeling adequate to share their faith with others What if evangelism was not meant to be a process What if it was never intended to be boiled down to step by step programs or processes What if introducing others to Jesus is actually as easy as sharing life with others and having a few intentional conversations Through this book readers will learn an approach to evangelism that leverages relationality while minimizing much of the anxiety that accompanies sharing ones faith Rather than a new approach this simple straight forward perspective is a return to the evangelism modeled by the first believers There are no flowcharts presentations or acronyms All that is required is a reliance on the Holy Spirit Gods Word and a desire to cultivate and build intentional relationships for the sake of the gospel The ultimate goal is to see every believer equipped encouraged and empowered to do his part to fulfill the Great Commission of Christ

Deep Preaching J. Kent Edwards, 2009-08-01 J Kent Edwards recalls a story that late pastor J Vernon McGee told about seeing children in South Africa playing a game of marbles in the dust with real diamonds The precious stones were being handled with no regard for their true worth Edwards fears the same thing happens today when preachers offer Scriptural truth to listeners without being completely overwhelmed by its greatness themselves in the process Deep Preaching is his call to rethink preaching Edwards helps preachers learn to preach the word in ways that will powerfully change the lives of hearers He contends that sermons need not settle comfortably on the lives of the listeners like dust on a coffee table He encourages preachers to join him in casting off the lines that moor their ministries to the status quo and make every effort to steer their preaching out of the comfortable shallows He urges them to preach deep sermons rather than superficial ones moving beyond the yawn inspiring to the awe inspiring from the trite to the transforming

Thoughtful Proclaimer Elizabeth Wright Anderson, 2017-10-23 Thoughtful Proclaimer takes you from passage choice to proclamation This book walks with you through message preparation that transforms both your heart and the hearts of your congregation or class Aimed at those who proclaim the Word of God in a variety of church and parachurch settings the Thoughtful Proclaimer method uses a contemplative question based technique to determine the Commanders intent Gods purpose for every passage of scripture Gods intent for a passage becomes the point for proclamation of a redemptive and relevant message Anderson uses humor and story to teach good communication techniques so that every message brings lasting transformation to your listeners

that we can have life and have it more abundantly through Jesus Christ Study the Word of God and you can be assured and know that there s life in the Word *Conrad's Answers to Life's Purpose* John Paul Carinci,2021-11-07 Thirty five year old Richie Lopez is at the end of his rope His marriage is over he s barred from seeing his son he is unfulfilled at a dead end job and he is drinking to excess But all of that is about to change when he meets Conrad Richards a mysterious man that seems to have all the answers to the world s most difficult questions and a ghostly way of disappearing and appearing in other places at will Although Richie suspects something very unusual he admires his new friend so much that he keeps his thoughts to himself Still he cannot help but wonder if Conrad is just a brilliant old man or if he is an angel how he seems to know him inside and out and why he has chosen him to fulfill his lifelong dream of writing a book about life s purpose As Conrad mentors Richie he shares his personal reflections and secrets to success But will he live long enough for Richie to learn all there is and will Richie ever discover whether Conrad is human or something more spiritual In this heartwarming story an older man appears in a troubled young man s life to share his wisdom and ask him to fulfill his long held dream of writing a book **Spirits Realm** Ross Rozani,2018-11-26 The spirit realm is just like a fantasy world as spirits are invisible to the eyes and impossible to prove their existence The only guide we have is from religious scriptures The acceptance is very much dependent on the strength of faith of the one who s seeking them Experiences are often rebuked or circumvented and that is how we lose the opportunity to understand the unseen s existence When belief and science collide we struggle and start taking sides based on the only knowledge we have at the time and life goes on as if nothing else matters Age is a factor that reminds us that we are mortal and will inevitably cease to be one day Only then do we realize that we have a double life to lead which is the physical and the spiritual life That is when we appreciate that we do have a spiritual life that we should take care of To unravel the mystery of the spirit world is not an easy task it requires serious dedication and a lot of passion to eliminate baseless hearsay Understanding and appreciation of the spiritual world and their activities are delicate and only the strength of faith can bestow these upon us
