Robert D. Clifford

Surely Not Doctor:

Surely Not, Doctor! Robert Clifford, 2014-10-02 Doctor Bob's country practice is in Tadchester on the Somerset coast but no one can accuse the town of being a sleepy little backwater. All human life is there with its quirks, colour, comedy and richness. There's the absent-minded incontinent vicar of St Peter's, the well-known London publisher whose dog has more taste than most, the lady magistrate who travels for miles for a doctor with warm hands and the packet of suppositories which prompts a bomb scare. Then there's the hairdresser with a penchant for male strippers and the whispering journalist who learnt how to shout. Even off duty Doctor Bob's life is full of incident and he himself ends up with a long spell in hospital. It all goes to show that truth can be so much stranger than fiction. *Not There, Doctor* Robert Clifford, 2014-09-04

Not There Doctor continues the hilarious and heartwarming true story of a young doctor and his patients in the heart of West Country. In the period leading up to Dr Clifford's wedding day, the trials and tribulations of his procession of patients are a source of constant entertainment. There's the angler whose salmon lure ends up embedded in the seat of his trousers, the bridegroom with a tattoo he's desperate to remove before he marries the pregnant woman whose X-rays reveal a truly amazing phenomenon, and there's the Doctor's own wedding when the bridesmaids appear in transparent dresses and the vicar forgets his lines. Dr Clifford's chronicles are a marvellous blend of human laughter, tragedy and courage, tales of a doctor totally at one with his world.

Oh Dear, Doctor! Robert Clifford, 2014-09-18 *Oh Dear Doctor* is the fourth in the series of Dr Clifford's richly entertaining and true life accounts of his experiences as a G.P. in a small West Country practice. Once again the inhabitants of Tadchester and Sanford prove that patients are not necessarily a virtue. Like Ralph the tiny greengrocer, only too aware that an operation might restore marital duties with his huge bowler-hatted wife, the commander's wife who was literally a knock-out, and the dubious joys of being a school medical officer. Even off duty things don't go too smoothly; there are trials and tribulations of taking his elderly and eccentric father-in-law on a camping holiday through France and the writer's summer school where Dr Clifford ends up holding endless surgeries. Doctor family man, humourist, philosopher and counsellor, Dr Robert Clifford takes us through his busy life, sharing his patients' problems and joys, tragedies and courage.

Success Magazine, 1923 There You Are, Doctor! Robert Clifford, 2014-10-09 As charming as he is entertaining, Dr Robert Clifford dispenses a delightful dose of hilarious anecdotes, colourful portraits of patients, family and friends, tempered with heartwarming tales of human courage and tragedy. There's the eccentric hermit Hamish Richardson, the stubborn Romany Zackovitch, Hebden, Miss Peabody, the elderly spinster ever hopeful of a pool's win, and William Jessop, the blind man whose handicap obviously isn't a handicap. As well as stories from his Tadchester surgery, Dr Robert Clifford tells of his son's accident on Sark, and there are more fishy tales with water bailiff John Denton and a sparkling of delightful descriptions of holidays at home and abroad. Doctor family man, humourist, philosopher and counsellor, Dr Robert Clifford's stories are a tonic for us all.

Regeneration Great Britain: Parliament: House of Commons: Communities and Local Government

Committee,2011-11-03 The Government set out its new approach to regeneration in Regeneration to enable growth What Government is doing in support of community led regeneration DCLG But the document gives the Committee little confidence that the Government has a clear strategy for addressing the country s regeneration needs It lacks strategic direction and is unclear about the nature of the problem it is trying to solve It focuses overwhelmingly upon the achievement of economic growth giving little emphasis to the specific issues faced by deprived communities and areas of market failure The proposed measures are unlikely to bring in sufficient resources Funding for regeneration has been reduced dramatically and disproportionately over the past two years and unless alternative sources can be found there is a risk of problems being stored up for the future Also lacking is a strategy for attracting private sector investment And the document gives too much prominence to changes to the planning system and does not acknowledge the benefits effective planning has brought to regeneration The financial and economic climate has impacted dramatically upon regeneration but the withdrawal of Housing Market Renewal Funding in particular has created significant problems leaving many residents trapped in half abandoned streets The Committee suggests a number of measures that could as part of a wider approach contribute to stimulating regeneration and incentivising private sector involvement The Government should now produce a national regeneration strategy which sets out a coherent approach to tackling deprivation and market failure in the country s most disadvantaged areas
