Oregon Surfing Scott Blackman, Sandy Blackman, 2016-02-29 Surfing culture began in Portland Seaside Cannon Beach and Pacific City in the early 1960s Influenced by surf music and a few California surfers a handful of skin divers and adolescent boys yearned to engage in the sport In the beginning surfing was illegal along the beachfronts of Seaside and Cannon Beach Answering the siren call locals took to the beaches while others from around Oregon Washington and California found their way to isolated spots along the Northern Oregon coast The early surfers were not intimidated by their lack of knowledge poor equipment or the unpredictable waves Instead surfing caught on in the cold waters of Oregon Experience the early days of Oregon surfing through the pioneer surfers' stories and vintage photographs

Oregon Surfing Sandy Blackman, 2014 Surfing came to the central Oregon coast in the early 1960s Mostly young boys from Newport and the Agate Beach area took to the waves without wetsuits or leashes and taught themselves how to surf in the forbidding cold waters Eventually forming the Agate Beach Surf Club they discovered other surfing communities along the Oregon coast With no modern day technology to help them they traveled the rugged Oregon coast in search of good and accessible surf spots Fifty years later the surfing culture has grown and evolved including both genders kite wind stand up paddle and big wave surfing What hasn't changed is the unique and challenging environment of the Oregon coast Geography the weather and the cold water still remain the biggest challenges In the face of all this the surfing community grows and continues to prosper
