**Educating Hearts and Minds** Edward F. DeRoche, Mary M. Williams, 2001 A great resource for teaching that character matters in furthering the ideals on which this country has been built. Carol Russo, Principal, William Lloyd Garrison School, Bronx, NY. The soil of our schools has lost a nurturing ingredient that is essential to give life to the ideas and the efforts of educators. That missing nurturing ingredient is the school's moral mission. DeRoche and Williams have written a sound and practical book not only for educators but for anyone interested in learning exactly how schools can navigate these often shoal-filled waters. Kevin Ryan, From the Foreword. *Educating Hearts and Minds*, 2nd Edition. This second edition merges new ideas in character education research with best practices in schools and districts. The authors provide the most up-to-date and comprehensive framework for K-12 administrators, educators, and concerned citizens. It offers easy access to practical and proven methods supported by in-depth rationale. Highlighted are keys for success in building an effective character education program. Six sets of standards for character education. Six tips for leaders. Five tips to ensure reaching consensus. Five classroom expectations. Strategies for school culture and classroom climate. Steps for developing a values curriculum. Co-curricular activities. Teaching principles. Staff development and personnel training. Assessment. The authors propose standards, promising practices, and assessment instruments that can be personalized to fit the needs and interests of any school, student population, school district, or community. A must-have resource for the concerned and committed educator and parent.

**Heart and Mind** Ruth Beechick, 2004-07-01 This book offers fresh insight on what the Bible says about

learning Teaching and learning are more effective when people are viewed with heart with the image of God within them This book contains the most complete research available about heart in the Bible The Bible says the heart knows considers speaks remembers deceives meditates and other functions that modernists like to attribute to the brain This book also reports physiological research that shows the Bible was right all along in the way it spoke about heart A chart in the appendix summarizes almost 1000 Bible references to heart by meaning **Teaching with the Heart in Mind** ,2007

*The Teaching and Teachings of Temple Buddhism in Contemporary Japan* Stephen G. Covell,2024-10-31 How have Buddhist teachings come to be in modern and contemporary Japan and how are they taught This pioneering work seeks to answer these questions by highlighting the public teachings of Temple Buddhism institutions in particular Temple Buddhism kindergartens and Buddhist secondary schools and colleges The community outreach provided by these Buddhist facilities is far greater than any other with the possible exception of funerals yet until now it has received little attention from scholars of Japanese religion After determining what is taught in Buddhist education and how Stephen Covell introduces readers to a select group of monks who undergo some of the most grueling practices in Japanese Temple Buddhism to determine if the public facing teachings of Buddhist education are unique or similar to those of elite Buddhist practitioners The teachings and sites of teaching examined here include but are not limited to classical doctrinal studies and temples focused on the education of Buddhist clergy Covell uncovers the arguments made by priests involved in morals education the dharma talks of famous ascetics and the ways in which laws and legal codes have changed Buddhist education He looks at what is taught on the ground online and in popular texts to discuss the current teachings embraced as Buddhism within the institutions of Temple Buddhism Among his numerous findings is such teachings and worldview are remarkably similar to those of New Religions and Buddhist lay movements as outlined by Japan religion scholars and government bodies in charge of education The Teaching and Teachings of Temple Buddhism in Contemporary Japan will be welcomed by students and scholars in Japanese religious studies and early childhood and higher education as well as those interested in current Buddhist practice and teachings in general *Bible Talks for Heart and Mind* E. C. Henningses,R. B. Henningses,1928 Teaching the Canon in 21st Century Classrooms Michael Macaluso,Kati Macaluso,2018-11-01 The canon as much an ideology as it is a body of texts perceived to be intrinsic to the high school English classroom has come under scrutiny for maintaining status quo narratives about whiteness masculinity heterosexuality ability and even those associated with American ideals of self reliance the good life and the self made man Teaching practices around these texts may also reinforce harmful practices and ways of thinking including those connected to notions of culture literary merit and methods of reading teaching and learning Teaching the Canon in 21st Century Classrooms offers innovative critical ways of reading thinking about and teaching canonical texts in 21st century classrooms Responding to the increasingly pluralized digitized global 21st century English classroom chapter authors make explicit the ideologies of a canonical text of focus while also elaborating a pedagogical

**Rethinking Educational Change with Heart and Mind** Andy Hargreaves, 1997 Why does successful enduring change beyond a few isolated schools continue to elude us The fundamental problem says editor Hargreaves is that educational change is more complex and controversial than the change literature has recognized In this book Hargreaves and the other contributors move the dialogue about change beyond the technical aspects to three essential areas of teaching learning and leadership that have received only limited attention the passion purpose and politics of change Each chapter looks realistically but also optimistically at many of the complexities of change In the first chapter editor Hargreaves discusses the need for greater depth and breadth in our educational change efforts In the next few chapters authors explore the vital role of parents and communities in educational change efforts Subsequent chapters stress the value of involving students in school improvement suggest practical ideas for managing time differently and discuss the importance of clear measurable goals Other authors look at alternative assessment practices with a corresponding view of accountability Additional topics include collaborative action research among teachers in their own schools around issues of professional interest to them as well as ways that even wider collaborations or networks foster positive change In another chapter the authors ask whether what we know about school improvement applies to schools that are failing or seriously troubled They examine the political as well as technical issues involved in designating a school as failing or troubled arguing for more sophisticated ways of designation The closing chapter expands on a theme of the opening one the place of emotion in educational change by discussing a second theme that of hope without which there is no commitment or optimism that children s lives can be made

better **The Dunhuang Grottoes and Global Education** Xu Di, 2019-05-15 This book analyzes the murals and texts of the Dunhuang Grottoes one of the most famous sites of cultural heritage on the Silk Road in Northwest China from an educational perspective The Dunhuang Grottoes are well known in the world for their stunning beauty and magnificence but the teaching of Dunhuang advocates a philosophical perspective that cosmos nature and humanity are an interconnected whole and that all elements function interactively according to universal and relational principles of continuity cause and effect spiritual connection and enlightenment Xu Di and volume contributors highlight the moral education and ethics found throughout the Dunhuang with numerous stories of the personal journeys and growth of the Buddha and bodhisattvas discussing and analyzing these teachings and their possible implications for modern education systems throughout China and the world today **Autobiography and Teacher Development in China** W. Pinar, 2016-04-27 This is the first investigation of the roles of autobiography in teacher education to be informed by concepts and examples from China Europe and North and South America Unique and timely this volume addresses multiple movements of teacher education reform worldwide The Journal of Education ,1891 **Teaching Heart to Heart:** Barbara Carmody, 2024-12-19 Teaching Heart to Heart A Book of Reflections and Encouragement for Teachers is about teaching in a way where we connect with more than just our minds we connect with our hearts This book aims to provide inspiration and encouragement for teachers as they navigate the expectations of their often exhausting yet rewarding career choice Each chapter ends with an Invitation to Reflect which is intended to personalize the reader's journey *With Heart, Mind & Strength* Donald M. Lewis, 1990-12 We at Regent College are proud to present the best of CRUX for the years 1979-89 in this volume With Heart Mind Strength exemplifies what we are trying to do at Regent College to give our best our all to God We have selected essays from the pages of the College journal written by faculty alumni and friends on relevant issues where the Bible meets today's world The collection reflects the viewpoints and the wide range of interests we have biblical studies theology history spirituality and interdisciplinary matters The authors include Klaus Bockmuehl J I Packer James Houston Carl E Armerding Gordon Fee and W Ward Gasque all well known through their own books all appreciated by the students at Regent College For over twenty years Regent has been concerned with the equipping of the laity developing a new generation of thinking and acting Christians We believe that we will be better able to interact with the modern world for having studied in an open atmosphere of inquiry and reverence And for eleven years the College has published CRUX as its voice a place where ideas may be put forward for illumination discussion and correction We hope you find these essays to be a help in your own pilgrimage The Heart-Mind Matrix Joseph Chilton Pearce, 2012-08-10 Activating the compassionate intelligence of the heart to reconnect to the universe and our spiritual future Shows how the heart is connected to our prefrontal cortex and offers a balancing counterweight to the calculating intellect of the lower brain Explains how we are stuck in reactive behavior loops resulting from the loss of the nurturing culture of our ancestors Reveals how the Heart Mind Matrix connects us to the universe and is

the engine of spiritual evolution Expanding the revolutionary theories of mind explored in the bestselling *The Crack in the Cosmic Egg* and *The Biology of Transcendence* Joseph Chilton Pearce explains how the heart provides the balancing intelligence to the brain's calculating intellect an innate system of emotional mental coherence lost generations ago through a breakdown of the nurturing culture of our ancestors By severing ourselves from our heart intelligence we are left with our selfish survival oriented reptilian brains which create and reinforce strange loops between potential and actual reality leading to our modern world's endless cycle of self-inflicted disasters and societal crises Pearce explains that in order to break these cycles and transcend a life focused solely on surviving the results of our own reactive patterns we must reconnect with the compassionate intelligence of the heart Offering a rich variety of evidence Pearce explores neurological research lost and enduring nurturing cultures personal experiences and accounts from the lives and writings of modern sages such as Jane Goodall Maria Montessori and Rudolf Steiner He shows that by activating the original matrix of the Heart Mind the engine of our spiritual evolution and our innate connection to the universe we can teach our brains new ways to think amend our destructive behavior loops and enter into a future of peace spiritual connection and conscious evolution
