I. INTRODUCTION

The Educational Program of the Autonomous Organization of Education “Nazarbayev Intellectual Schools” (AEO) has founded NIS-Programme for secondary and high school students. Students of 10th and 12th grades pass exams of the external summative assessment (hereinafter SA) in accordance with International General Certificate of Secondary Education (IGCSE) standards. Exam materials for SAs developed jointly with the Council Cambridge assessments for international education (CCAIE) and are aimed at measuring the functionality of the acquired knowledge and formed skills of a wide range through the implementation of various types of tasks.

Examination tasks on the discipline of “English language” complies with the International General Certificate of Secondary Education standards. Exam assignments for the grade 10 cover the content curriculum for grades 9-10. The format of External Summative Assessment for “English language” covers:

- Listening section (25 points)
- Reading section (25 points)
- Writing section (30 points)

overall 55 points.

English comprehension covers reproductive and productive skills. Reproductive skills consist of listening and reading tasks, while productive skills are speaking and writing tasks. In terms of complexity and assessment, writing skills require more time and effort than reproduction skills (Jaashan, 2022). Writing in a foreign language is recognized as an important skill for education, personal development, and logical thinking capacity (Weigle, 2009).

External Summative Assessment for “English language” Writing Section covers various writing tasks such as magazine articles, newspaper reports, short stories, academic essays, and formal/informal letters. Writing tasks have different structures and purposes, so students are confused with different writing tasks. Compared to other writing tasks academic essay writing comprises six essay types and each one has a certain structure to follow. Academic essay types in the Cambridge Exam are (1) Opinion essay, (2) Discussion essay, (3) Advantage and Disadvantage (for and against) essay, (4) Discursive essay, (5) Problem and Solution, (6) Cause and Solution essay.

In term III 10th grade students learnt academic essay writing and its structure. The present lesson study covered a Discussion Essay.
