Research in Education , 1974 *OE [publication]* , 1968 **Materials and Methods in the Middle Grades** Joseph Lindsey Henderson, 1928 Primary Teaching Skills Prof E C Wragg, E. C. Wragg, 2002-11-01 Primary teachers have always been required to master a wealth of knowledge and professional skills and recent debate has led to pressure for ever higher levels of competence Ted Wragg's book provides a comprehensive guide to the skills needed by today's primary teachers Separate chapters cover such central demands of the job as explaining new topics asking stimulating questions and settling down with a new class and one is devoted to the particular problems of supply teachers Based on extensive research in classrooms over the last three years Primary Teaching Skills will enlighten and entertain both student and novice teachers and their more experienced colleagues at all stages of their professional development Educating for Equity and Excellence Geneva Gay, 2023 In this collection of articles Geneva Gay invites readers to make educational equity and excellence for all students a reality not just an ethic or an ideal Through teaching narratives and pragmatic examples Gay illustrates that a combination of ideology ethics personal commitment and praxis on the part of educators is essential to achieving equity for underachieving racial and ethnic minority students The text is organized into three themes Identity how the identities and behaviors of educators are influenced by their membership in ethnic and cultural groups Ideology how the beliefs attitudes and expectations of educators shape their behaviors and instruction and Action suggestions for equitable teaching classroom management curriculum development and teacher preparation Each individual essay can be read separately but they are especially powerful when read in conjunction with each other Educating for Equity and Excellence is applicable to a variety of teaching contexts across the entire spectrum of the educational enterprise including early childhood elementary secondary and college Book Features A good blend of ideas and actions for teaching diverse students including

Black Asian American Native American and Latinx students Narratives from the personal experiences of the author as well as those of other education scholars researchers and practitioners Suggested teaching actions applicable to educating students at different grade levels and abilities Easy to understand chapters with pragmatic explanations that describe complex conceptual ideas Recommended actions for promoting and sustaining equity across contexts **Monographic Series**
