## **Teaching College Success The Complete Resource Guide:**

**Teaching College Success** Constance C. Staley, 1998-10-01 In this workshop in a box you will find everything you need to create your own tailored training program for college success instructors. It is an economical way to do your training right on campus. This guide provides both the tools and techniques for instructors, administrators, and trainers seeking to develop more successful college success programs. Designed as a stand-alone resource or as a reference, this training package focuses on faculty development and common issues related to teaching the freshman seminar across institutions. Included in the comprehensive Resource Guide is a complete set of training modules with handouts, teaching agendas, exercises, and transparency masters. In addition, material in the Resource Guide is provided electronically via PowerPoint presentation files, allowing instructors and trainers learning from this package to share the information more effectively and to train more faculty in an economic, flexible way.

*A Guide to Staff & Educational Development* David Baume, Peter Kahn, 2003-12-16 Written to meet the demand for additional support of staff development programmes, this practical handbook introduces the key issues surrounding this area, covers various topics in detail, and provides inspiration for those in the field. **Your Guide**

**to College Success** John W. Santrock, 2002 **A Student Athlete's Guide to College Success** Trent Petrie, Eric Denson, 1999 This text features coverage of mainstream college success topics with a special focus on student athletes. Included are chapters on motivation and procrastination, health and performance, and communication and assertiveness, as well as special boxes on media relations and the transferability of skills from athletics to academic courses. **Resources in**

**Education**, 1999 **Learning Success** Carl Wahlstrom, Brian K. Williams, 1999 Shows users how the keys to success in higher education are also the keys to success in life. Conversely, this text shows how the same academic and personal skills for college success will also ensure their success in their professional careers and personal lives. **Teachers College**
