2012-2013 College Admissions Data Sourcebook Midwest Edition , **The Report: Bahrain 2017** Oxford Business Group, Like its Gulf neighbours Bahrain has continued to offset the effects of the drop in oil prices with a host of measures including moves towards subsidy reduction now in place to ease the pressure Despite the downturn however the country has continued to push ahead with many big ticket projects Counter cyclical spending in the energy sector is expected

to stand the broader economy in good stead in the years to come as expansion boosts the country's refining capacity and provides a reliable supply of fuel for its heavy industries. Indeed, manufacturing continues to play a significant role with the 3bn project to build a sixth potline for Aluminium Bahrain representing the company's largest expansion since potline five came on stream in 2005. The kingdom's financial sector has long been a dominant player in the region and despite increasing competition from emerging financial centres in the region continues to benefit from an advanced regulatory framework, an educated workforce and a relatively low cost environment.
