**How to Teach the Bible** David Bergsland, 2012-10-21 Learning how to teach scripture with power Bible studies are a primary and often the best way to introduce someone to knowledge of the Lord Though it is true that only the

Holy Spirit can bring a person to repentance and salvation it is also true that the scriptures are inspired by God and useful to teach us what is true and to make us realize what is wrong in our lives They correct us when we are wrong and teach us to do what is right Though it is true that the Bible does not save us It is one of the best ways to lead a person into enough knowledge about the Lord so that they wish to know the Lord Jesus personally Jesus saves only Jesus But He also anointed the writers of the Bible to give us the truth about creation humanity and divinity This book shares nearly forty years of experience in leading Bible studies to you It shows you how to proceed so that the Holy Spirit can actually lead your Bible study This is the only way you can actually be used to transform people s lives We have no power in ourselves except for the power of God which lives in us You need to learn to tap that power allowing it to flow through you to touch people and transform their lives The power is in the Lord Learn to teach the bible with the power to transform lives This book has tips and techniques from a man who has been focused on teaching scripture for almost 40 years This is not some wimpy guide but practical instruction on how to allow the Holy Spirit to transform your Bible study into a tool to help your students grow spiritually beyond what they ever expected These techniques will change lives including yours as the teacher

How to Teach the Bible Lucien Coleman, 2003-12-16 The author was conducting a workshop for teachers in a church and was handed a note by a young woman in the workshop The note read I have never taught anything or anyone I don t know how to begin to prepare Can you help Dr Coleman meets scores of teachers just like the young woman He indicates there are men and women who are doing their best but who have serious doubts about their adequacy as teachers of the Bible Wherever you meet them they ask these same questions How can I learn enough about the Bible to have something worth sharing with my class How can I get the members of my class involved in the lessons so I won t have to do all the talking How do you get people interested when they seem so indifferent to Bible study Is there any way to get the class members to study their lessons How do you lead class members to do something about the message of the Bible other than just sit there and discuss it Where can I find out more about teaching methods How do you prepare a teaching plan These workers care deeply about Bible teaching They want to do a good job But they don t quite know how to go about it And that explains the reason for this book Dr Coleman integrates theory and practice in a how to do it book which combines discussions of teaching with skill building exercises He brings the elements of a Bible teacher s conference to the individual who has had no opportunity to attend such a conference At the same time the book may also be used as a textbook for teacher training workshops

**She Can Teach** Jackie Roesse, 2013-10-04 Conservative evangelical women are least likely to be trained in the areas of teaching and preaching It s a tragic state of affairs given the central value that our tradition places on the Scriptures In this book Jackie Roesse examines the forces both past and present that have discouraged women from becoming trained We ll discover that women are indeed called gifted and mandated in Scripture to herald the Word of God The first half of the book will focus on encouraging women to become as fully equipped as our male counterparts and to use their uniquely female voice in

proclaiming truth to other women in various settings outside pulpit preaching But encouragement isn't enough Many women who already teach Bible studies or who desire to teach are in no position to pursue formal studies in a seminary To that end the second half of She Can Teach is dedicated to developing homiletic skills Together we will learn how to study a passage find the main idea and build and deliver a biblical message By the end of this book the reader will be better equipped to proclaim truth through her uniquely female voice to her female audience Teaching the Bible in the Church John
