Teaching Social Studies S. G. Grant, John Lee, Kathy Swan, 2017-05-01 Teaching Social Studies A Methods Book for Methods Teachers features tasks designed to take preservice teachers deep into schools in general and into social studies education in particular Organized around Joseph Schwab's commonplaces of education and recognizing the role of inquiry as a preferred pedagogy in social studies the book offers a series of short chapters that highlight learners and learning subject matter teachers and teaching and school context The 42 chapters describe tasks that the authors assign to their methods students as either in class or as outside of class assignments The components of each chapter are Summary of the task Description of the exercise i.e. what students are to do the necessary resources the timeframe for completion grading criteria Description of how students respond to the activity Description of how the task fits into the overall course List of readings and references Appendix that supplements the task description *Teaching Elementary Social Studies* James Zarrillo, 2000 This text presents a methodology that offers every child a chance to succeed regardless of language culture intellectual ability physical attributes emotional capabilities or social skills Teaching Elementary Social Studies encourages teachers to recognize that each child is unique and brings a special set of skills and abilities to the classroom The unifying theme of the text is diversity and the author introduces several dimensions beyond the pluralistic nature of the student population It promotes the idea that diverse students require a diverse pedagogy and offers specific ways to introduce meaningful topics in ways that will engage all students Provides a foundation for teaching social studies Informs pre service teachers about the national standards documents that dictate curriculum planning for social studies Introduces students to Expectations for Excellence Curriculum Standards for the Social Studies National Standards for Civics and Government National Content Standards in Economics Geography for Life and National Standards for History Addresses the fundamentals of teaching social studies Provides instruction for creating lessons based on MI inquiry and student interaction Advocates the need for social studies lessons that infuse multicultural perspectives Each lesson mini lesson group project or unit concludes with a section on Effective Teaching in Today's Diverse Classroom Includes descriptions of activities group projects lessons and mini lessons to model good social studies instruction Includes numerous examples of multicultural literature Samples lessons mini lessons projects and activities all reference multicultural and historical literature and Internet websites teachers can access to enrich social studies teaching and learning Promotes good citizenship as a goal of social studies Teaching Social Studies that Matters Stephen J. Thornton, 2005 No plan to increase achievement and enact reform in the social studies classroom will succeed without recognizing the central importance of the teacher as the gatekeeper of instruction In this book Thornton details why teachers must develop strong skills in curriculum planning and teaching methods in order for effective instruction to occur Thornton helps teachers to develop a vision of their practice that will build strong social studies

programs and inspire students to learn Features An approach to preparing purposeful teachers acknowledging that teachers make daily decisions concerning what to teach and how to teach it Replicable examples of the kinds of reflective practice that will enable teachers to animate classroom instruction and create a dynamic social studies curriculum An analysis of how teachers adapt and shape state and district level curricula and classroom materials to fit the specific needs of their students a model of how to develop an instructional program with suggestions for lesson planning In depth examinations of alternative ways of educating teachers in subject matter and teaching methods In this important book Steve Thornton brings a Deweyan perspective to current problems in social studies education He does more however because his analysis can be extended profitably to every subject in the curriculum From the Foreword by Nel Noddings A thoughtful and carefully documented analysis Let us hope that this book encourages a richer dialogue than the now tedious and generally unproductive separate disciplines v integrated social studies debate Linda S Levstik University of Kentucky Lexington A refreshingly clearheaded historically grounded altogether enlightening analysis This is the book I ve been waiting for Walter Parker University of Washington
