Teaching Kids Life IS Good Eric Crawford, 2014-05-01 Visit TKLIG.com for more information and to sign up for the newsletter Teaching Kids Life IS Good is what results when an experienced youth mentor and a distinguished elementary school teacher team up to help children dramatically enhance their character confidence attitude and self esteem by matching positive life changing affirmations with the insertion of each individual child's own self pictures to match each set of affirmations This unique mix of carefully crafted statements and self reflective imagery creates a potent and positive boost for children to reinforce in them that life is meant to be lived positively and abundantly For instance if the affirmation says I am joyful the child or parent can attach a picture on that page of the child with a joyful expression to reinforce the affirmation Existing pictures can be used or new pictures can be taken of your child just for this book These affirmations are not designed to create a pompous sense of inflated self confidence but rather a universally recognized mix of beneficial character traits and healthy outlooks about life The science and psychology behind the book is designed to aid in the development of children's attitudes and beliefs about themselves and the world to build a healthy sense of confidence character and self esteem Developing these traits early in life can dramatically increase your child's likelihood of growing up well adjusted for greater contentment and success At the end of the book there are prompts based on Benjamin Franklin's daily practice of self reflection which will help your child to consider how they might further practice these ideas in every day life These reflection prompts are an excellent opportunity for adults and children to discuss these affirmations in action Teaching Kids Life is Good is a great way for parents grandparents aunts uncles mentors or guardians to spend quality time with children doing something positive and fun that will stick with them for their entire lifetime Paste this link into your browser for more previews of the book <http://tinyurl.com/qd5gwdt> **Teaching with Confidence** E.
