Teachings of Jesus Christ Repsaj Jasper, 2011-06-24 This is perhaps the first book detailing the teachings of the Lord Jesus Christ on many key aspects of the gospel of salvation and the kingdom of the God which had have been concealed and not revealed as CORNERSTONE teachings of the gospel of salvation The greatest consequence of this is the total contamination of the gospel of salvation while the true gospel or treasure has been hidden for centuries The author has been discipled and led to write this book in the face of the full contamination of the gospel of salvation and the kingdom of the God in order that believers may be revealed the true treasure so that they are able to understand the true gospel as taught by the Lord Jesus Christ the Saviour of the world when He was on the earth the first time Only when believers understand and obey the truth of the gospel will they be set free from slavery to the sin And only when those believers who are set free from slavery to the sin can they become sons of the God And only sons of the God can remain in the kingdom of the God forever meaning only sons of the God can receive everlasting life The Lord Jesus Christ is the Road and the Truth and the Life The Truth is the Word of the God And in the New Testament days the main truth is the gospel of salvation Therefore unless believers know meaning understand the truth concerning the gospel of salvation how can they obey the truth of the gospel to receive everlasting life And especially in the last days unless believers know the truth of the gospel how can they identify and reject false prophets false teachers and false preachers who spread false gospel to lead them astray into everlasting fire In view of the many different variations of translation and interpretation of the teachings of Paul Peter John and James regarding the gospel of salvation it is imperative for believers to know and understand the CORNERSTONE teachings of the Lord Jesus Christ on the gospel of salvation and the kingdom of the God There is a plethora of writings by Christian authors and theologians and teachers on the teachings of Paul on the gospel of salvation relating to the law and works and love and faith and obedience and perfection etc Many preachers and teachers of the Word of the God were are confused themselves over such important issues For believers to know the correct

Teachings Of Jesus Christ John Lemmon,2019-09-19 How many Christians come to Christ and never get the foundational teachings of Jesus Christ Too many And like the foundations of a house this should happen right at the beginning of the process Is it any wonder many struggle to stand when their feet are planted on the spiritual sands of rhetoric and emotion When businesses and governments find things are becoming too complex what do they say Usually they say they need to get back to basics The basics are the key principles that sit beneath all human endeavors and they must be solidly grounded or else the business enterprise and even governments will struggle and fall apart You cannot build a house unless there is a solid foundation Likewise you cannot build a Christian unless the spiritual foundations are strong How many Christians suffer How many fall down or fall away How many struggle with their faith especially in the early years when their faith is put to the test Again too many And most of them suffer because their foundations are not strong enough to withstand the storms of life The Six Foundations This book aims to address this lack First it identifies what the Bible defines as the six foundations of Jesus Christ not what some preachers wrongly state And second this book provides insights from the Bible on how to use and build on these foundations The Lord Jesus said to the Apostles that He would give them the keys to the kingdom of heaven These six foundations form the basis of those keys When these foundations are in place and working effectively a Christian can withstand any storm or opposition that comes against them Today as we walk with Jesus Christ we need to get back to basics These six foundations are the basic teachings all Christians must learn understand and hold fast as they walk in this world **The Teachings of Jesus** Peter Naumovich,2011-01-15 The Teachings of Jesus is the collection of the most
