Ehat, Lyndon W. Cook, 1980 *Joseph Smith's Teachings* Joseph Smith (Jr.), 1912 *Discourses of the Prophet Joseph Smith* Joseph Smith (Jr.), 1970 *Joseph Smith's Teachings* Joseph Smith (Jr.), 1922 **An Index to Teachings of the Prophet Joseph Smith** Robert J. Matthews, 1962 *Teachings of the Prophet Joseph Smith - Topically Organized* Steven M. Murphy, 2022-03-25 For over fifty years I have wished I had such a book as you are now considering I truly love the book the original Teachings of the Prophet Joseph Smith TPJS that President Joseph Fielding Smith and his staff compiled back in 1938 It has served us well as a fundamentally sound source to personally check each of us in our doctrinal understanding as a people For a one volume authoritative work where students teachers and leaders can quickly reference and assure themselves that they are in harmony with the head of the dispensation it will never be outdated For a more in depth study the extensive multi volume work being done by the Joseph Smith Papers staff is adding to increased accuracy of the TPJS and is filling in the gaps of understanding found in the History of the Church by B H Roberts but realistically I doubt if but a small percentage of the Church will ever really use the Papers much less use it very extensively To be sure the more scholarly will and are but probably not most teachers leaders and general students of the Gospel often just as a factor of the lack of time The downside of the TPJS has been as you know it is hard to find quotes in the TPJS those juicy morsels for essays talks and lessons as the current index is quite inadequate So I decided to publish my own TPJS and to topically organize it not just a meagerly focused index but actual sentences and verbatim paragraphs which convey in depth insights and demonstrate the doctrinal development of this great Prophet s heaven revealed teachings In this volume there are over 350 topic categories chronologically copied word for word from the 1938 version I would not claim this work to be absolutely comprehensive but it is quite thorough as the many topics overlap extensively many many times Each topic becomes as it were a window into the Prophet s teachings giving us multiple perspectives and depth of perception granting us much inspired understanding **Joseph Smith's Teachings** Joseph Smith, Edwin F.
