

Respect

In the end we are all separate; our stories, no matter how similar, come to a fork and diverge. We are drawn to each other because of our similarities, but it is our differences we must learn to respect.

Love

Love, like a river, will cut a new path whenever it meets an obstacle.

Courage

When your bow is broken and your last arrow spent, then shoot, shoot with your whole heart.

Honesty

Honesty is the first chapter in the book of wisdom.

Wisdom

Nothing will work unless you do.

Truth

If you cannot find the truth right where you are, where else do you expect to find it?

Humility

Humility is the foundation of all virtues.

Pneumatology & Spiritual Gifts Elijah E. Dunbar, 2009-05-22 The geographical extent of the orient and occident is a validation of the cultural and ideological differences that have existed with constancies between the two hemispheres throughout the eons of time. Ideological pluralism has been the common practice of the inhabitants of both spheres but with unique manifestations. Christianity along with other religions are warmly embraced and pragmatically characterized by the orientals and occidentals with reserved peculiarities. Oriental Christians viewed pneumatology as being a significant particle of their theological and liturgical lives while Occidental Christians see Christology as the primal substance in Christianity. Although both groups have a history of singling out this distinction over the years, theologians and theology have helped both sides understand the importance of both pneumatology and Christology in Christianity. It is concertedly understood that neither of the two can be studied or taught without the other. Their inseparable existence makes Christianity a complete whole. The author's exploration and literary expedition through myriad of sources allow him to compile data relevant to understanding the importance of the Holy Ghost and Spiritual gifts within the Christian community. Whether a secular or non secular intellectual you will find the information in this book to be rewarding, resourceful and informative. You will come across comments from some of humanity's and Christendom's finest and brightest academics in an eclectic form. Join the author now on his literary expedition. Welcome.
