## **Teachings Of Modern Christianity:**

*The Creeds of Modern Christianity versus the Teachings of the Holy Bible* James Earl Kemper, 2021-10-20 When it comes to religion this book is a comparison between what most Christian creeds state and what the Bible King James Version teaches about God Jesus Christ and many of the topics that most people have questions about The author asks many thought provoking questions the very questions that he sought answers to but found so much conflict in Christianity Do you have unanswered questions Are the answers important to you Have you personally read the Bible to see what it actually says Do you believe the Bible Or do you accept only what men ministers say Each topic is taken independently and there are questions asked answers suggested and conclusions drawn The reader is challenged to read this and find their own answers through prayer and personal study Are you up to a challenge

Witte, Frank S. Alexander, 2006      The Christian Teaching Lyof N Tolstoi, 2023-07-18 In this treatise Leo Tolstoy reflects on the teachings of Jesus Christ and their relevance to modern Christianity He argues for a more stripped down minimalist interpretation of the Bible one that emphasizes love non violence and equality This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

**Modern Christianity Corrupted** Bob Klingenberg, Robert Klingenberg, 2012-06-08 The roots of an insidious Religious Humanism have for some time now steadily been growing deeper and deeper and taking a firm hold in the modern Christian Church in America and across the world The lethality of this rooting is that Religious Humanism is filled with false teachings which are historically known as heresies      The Social Teaching of the Christian Churches Ernst Troeltsch, 1992-01-01 In this landmark work Ernst Troeltsch offers a history of Christian ethics This expansive volume relates Christian ethical ideas to the changing structures of church and society from the period of early Christianity to the end of the eighteenth century Troeltsch s classic work first published in 1931 continues to speak to the present condition of the church and culture The Library of Theological Ethics series focuses on what it means to think theologically and ethically It presents a selection of important and otherwise unavailable texts in easily accessible form Volumes in this series will enable sustained dialogue with predecessors though reflection on classic works in the field      **Christianity and Human Rights** John Witte, Jr, Frank S.

Alexander, 2010-12-23 Combining Jewish Greek and Roman teachings with the radical new teachings of Christ and St Paul Christianity helped to cultivate the cardinal ideas of dignity equality liberty and democracy that ground the modern human rights paradigm Christianity also helped shape the law of public private penal and procedural rights that anchor modern legal systems in the West and beyond This collection of essays explores these Christian contributions to human rights through the perspectives of jurisprudence theology philosophy and history and Christian contributions to the special rights claims of women children nature and the environment The authors also address the church s own problems and failings with maintaining human rights ideals With contributions from leading scholars including a foreword by Archbishop Desmond Tutu this book provides an authoritative treatment of how Christianity shaped human rights in the past and how Christianity and human rights continue to challenge each other in modern times      AL- ISLAAM: âTHE SEVENTH ANGEL AND THE SEVENTH SEALâ Hassan Shabazz, 2020-03-22 This pamphlet or booklet is a humble attempt by the author to shine the light of Al Islaam the Holy Qur an and the language of Imaam W Deen Mohammed on the Book of Revelations It is my sincere

belief that the Holy Scriptures are interconnected and that the Holy Qur'an is the last chapter and the key to understanding all scriptures I believe the vision seen by Dr King in his I have a Dream speech will only be fulfilled in the religion of Al Islaam Islam The Islamic faith in my opinion is the New Zion In this book I use the spelling Imaam for Imam Islaam for Islam because I believe it gives the novice a better sense of how the words should be pronounced

**Mystic Christianity; Or, The Inner Teachings of the Master** William Walker Atkinson, 2022-09-15 In *Mystic Christianity Or The Inner Teachings of the Master* William Walker Atkinson delves into the esoteric dimensions of Christian spirituality exploring the mystical aspects often overlooked in conventional interpretations Atkinson's literary style combines a clear didactic prose with profound philosophical insights creating an accessible yet intellectually stimulating text The book emerges from the context of late 19th and early 20th century America a period marked by an intellectual revival of interest in spirituality mysticism and the New Thought movement which sought to reconcile religious principles with modern scientific thought William Walker Atkinson an influential figure in the New Thought movement was deeply engaged with metaphysical concepts throughout his life His background in law and business was overshadowed by his passion for spiritual and philosophical inquiry driving him to explore the deeper meanings behind religious teachings This personal quest for understanding is vividly reflected in *Mystic Christianity* as Atkinson synthesizes insights from various mystical traditions including Hinduism and Buddhism positioning them within a Christian framework I highly recommend this book to both scholars and spiritual seekers Atkinson's ability to bridge different spiritual traditions offers invaluable insights into the universal truths underlying Christianity inviting readers to engage with their faith on a deeper level Whether you are a seasoned mystic or a curious newcomer this work challenges conventional beliefs and encourages personal exploration

*Basic Bible Doctrine and Principles for New and Young Christians* Ken Matto, 2019-11-22 *Basic Bible Doctrine and Principles for New and Young Christians* was written with the intent to train the next generation in basic teachings in the Bible Modern Christianity has failed to produce biblical Christians instead it is producing Christians who desire mysticism signs and wonders modern Bible versions which confuse rather than teach health and wealth prosperity gospels Christian rock music which does not edify ecumenicalism etc Modern Christianity has strayed far from what the Bible teaches and it is necessary that we return to basic Bible principles and teachings People of all ages are becoming saved every day and it is necessary for them to start their Christian walk with the proper teachings This book will help new Christians begin their walk with a good understanding of basic Bible doctrine without any bias something which has been lost Much of modern Christianity is based on entertainment as is evidenced by many churches and the TV ministries which are basically nothing more than variety shows If Christianity is to make any impact in the world as it did in 1517 it is vital that Christians have an understanding of the Bible This book contains twenty seven important subjects which have been distorted in the modern church and new Christians need to understand these subjects This book would also be good for home Bible studies and new believers classes in Sunday schools This book would

also help Christians who are older in the faith or those who have been diverted from the old paths and are just confused as to what they hear being taught in the churches today This book will help ground new Christians and reground older Christians to return to the truth and foundation of the Scriptures Other books by this author are The Modern Version Incursion and Bible Prophecy Interpreting the Scriptures According to the Scriptures **Christianity and Natural Law** Norman Doe,2017-07-20 This book compares historical and modern natural law ideas across global Christian traditions and explores their use in church law **John Wesley's Teachings, Volume 3** Thomas C.
