Transform Your Church with Ministry Teams E. Stanley Ott, 2004 The concept of ministry teams is rapidly taking hold in churches but just what are they and how do they work Transform Your Church with Ministry Teams outlines what effective ministry teams look like describes what they can offer local congregations and gives concrete step by step suggestions for making them happen The power of ministry teams lies in their unique capacity to generate genuine Christian fellowship nurture disciples develop leaders and mobilize people for ministry While traditional church leadership organizations concentrate almost exclusively on task policy and program ministry teams are designed to enhance faith development and thus ministry effectiveness E Stanley Ott explores three main areas of ministry team development First he explains the philosophy behind ministry teams and discusses the issues involved in shifting from committee based to team based ministry Second he tells how to begin ministry teams including how to identify team leaders and members and how to determine their roles Third he looks at the details of ministry team life including ways to build team fellowship foster discipleship and communication within teams and accomplish specific ministry tasks Filled with wise time tested advice including four how to appendixes this book will help pastors and lay leaders transform the life of their church or Christian organization

Disciples in the Twenty-First Century Church Joel Comiskey, 2013-12-02 We know that the goal of the Christian life is to
glorify God and to enjoy him forever While this is God's ultimate plan does he have a particular purpose for the cell based
church I've been wrestling with this question for the past twenty two years This question confronts me every time I coach a
pastor or pastors In preparation for coaching I ask myself What is my principal objective in helping this pastor Where am I
guiding this church What am I trying to do I've come to the conclusion that the primary goal of cell ministry is to make
disciples who make disciples Christ's last command to his disciples was for them to repeat the process and to reproduce new
disciples But how were they supposed to do that This book answers these questions The early church followed Christ's
pattern by making disciples through the house churches that periodically celebrated together in public worship In 2 Timothy
2:1-2 Paul tells Timothy to continue the discipleship process by passing on the pure gospel message to faithful men and
women Even though the term disciple is later replaced by words such as brothers sisters Christians and saints the concept
remains the same We in North America and the Western world often project our own cultural bias into Christ's great
commission Matthew 28:18-20 Most discipleship books in fact assume that discipleship is an individualistic endeavor
between me and God And yes there is an important individual aspect e.g. personal devotions etc Yet in Matthew 28 Jesus was
talking to a group of disciples He wanted them to follow his example by making disciples in a group Jesus molded twelve
disciples in a group and then sent them house to house So how does the cell church make disciples In this book I show how
the cell small group works together with the cell system to make disciples who make disciples In the cell a potential disciple
is transformed through community priesthood of all believers group evangelism and team multiplication In the cell potential
disciples are formed through learning how to love one another exercising their gifts evangelizing together as a group and
then sent forth as teams to start new groups Discipleship is a group process in the New Testament and God is calling his
church to re-emphasize this truth The cell system ensures each leader has a coach and that training equipping track happens
Then the cells gather together to worship and grow through the teaching of God's Word All three aspects are essential to
form disciples Training is needed because disciples won't learn all they need to know in the cell Coaching ensures that each
leader is cared for and receives shepherding The celebration service brings the cells together to hear God's Word worship
and receive fresh vision The goal of the two wing cell church is to make disciples who make disciples The cell church today
makes disciples by following the early church pattern of cell and celebration Recommendations I've read all of Joel Comiskey's
books but Making Disciples in the Twenty First Century Church is his best work yet In this book Joel reminds us that the

real call and challenge of the Church is not developing leaders or numerical growth but making disciples who make disciples He also helps us understand why that is best done in a cell or small group context and gives us great insight about how to make that happen I m looking forward to having all of our Pastors Coaches and Cell Leaders and Members read this book in the near future Dennis Watson Lead Pastor Celebration Church of New Orleans ____ I am so excited about Joel Comiskey s new book Making Disciples in the Twenty First Century Church When I m asked what makes a cell church thrive I always say discipleship Thank you Joel for unpacking discipleship not just as an endeavor for individuals but as the critical element for creating a church community and culture that reproduces the Kingdom of God all over the earth I pray this book won t only be read but lived out as we were made to make disciples Jimmy Seibert Senior Pastor Antioch Community Church President and Founder Antioch Ministries International ____ I really like that Joel asked the Why question before the How question He even takes on the What question which is just as important The interest in discipleship is greater now than anytime in the last fifty years I fear however that we are using the same words but are not speaking the same language I recommend this work I cheer Joel on he joins many of us who are masters of the obvious It seems so obvious that our purpose is to be disciples and make disciples I cheer him on because he goes beyond the What and Why and does address the How This will help any person who reads it and I pray that there will be many Bill Hull Author of Jesus Christ Disciple Maker Disciple Making Pastor Disciple Making Church and The Complete Book of Discipleship Adjunct Faculty at Talbot School of Theology Biola University __ The history of the cell church movement in Brazil has many names of great man of God Joel Comiskey certainly is one of them We see how over the years his understanding of the New Testament Church has deepened Again Joel surprises us with this jewel He covers many aspects of cell church life showing us how discipleship relates to the broader scope of it and how to shape followers of Jesus He takes us to the heart of the matter of the cell church as he states it The purpose of cell ministry is making disciples who make disciples Excellent book The movement in Brazil certainly will be blessed through this book Enjoy it Robert Michael Lay Cell Church Ministry in Brazil Pioneer in the cell movement in Brazil and publisher of Joel s books __ In his tremendously helpful new book Making Disciples in the Twenty First Century Church Joel Comiskey cuts directly to the core purpose of cell ministry which is making disciples who make disciples Then he tells us how to do it through the Cell Based Church Like Joel s other books Making Disciples in the Twenty First Century Church is solidly biblical highly practical wonderfully accessible and is grounded in Joel s vast research and experience Great job Joel Dave Earley Lead Pastor Grace City Church of Las Vegas Nevada Author Eight Habits of Highly Effective Small Group Leaders Adjunct Professor Liberty Baptist Theological Seminary __ For more than twenty years Joel Comiskey has served the cell church movement He has helped scores of congregations move from being traditional churches to communities where edification and harvest occurs Twenty years Now he combines two decades of observation as his capacity as a researcher He has scoured many books to assemble wise counsel for us His discussion of how community varies from culture to culture is

Lunsford, 2010-11-17 Glory in the Mountains is not about me or any other earthly person or persons Many people are mentioned in this book but the book is about God and what He has done in and through my life and in the life of others I could write volumes about the times I have failed gone the wrong direction and made bad decisions God always does the right thing in the right way at the right time He never fails In my journey His voice has been like the sounds of many waters At times it's peaceful and serene then furious and demanding That voice has been a source of strength for me through the years I hope this little book will help someone stop and listen to His voice

Church Connection Cards, connect with visitors, grow your church, pastor your people Yvon Prehn, 2011 **The Making of Disciples** Zacharias Tanee Fomum, 2015-03-22 This critically important book is presented by the author as An attempt to provide the needful for the Lord's call to make disciples It is a statement of the revelations doctrines methods and principles of discipleship aimed at helping anyone to experience discipleship and thereby lead others to grow in a way to become active workers in making others into disciples of Jesus Christ It is a book to read and recommend to any servant of God cognizant of the glorious mission that the Lord Jesus Christ has entrusted to His church Therefore go and make disciples of all nations Finally the making of disciples is all about the work of transforming a sinner into a repentant sinner a repentant sinner into a convert a convert into a young disciple leading the young disciple to spiritual maturity and finally helping him to become a disciple maker This book is highly recommended to the body of Christ *Moving Beyond Church Growth* Mark A. Olson, 2001-12-01 Character development for communities of faith Mark Olson believes that trying to meet unrealistic expectations for church growth along with expectations that pastors be all things to all people has resulted in low morale even burnout among clergy and dissension within congregations Olson's book argues that church growth models exemplify and exacerbate the tendencies of the modern age and Constantinian Christianity holding the church hostage to technique and marketing These assumptions set up pastors and churches for disappointment and failure But they also in his opinion miss an opportunity to envision a faithful alternative to the consumeristic church Olson's valuable book calls church leaders

to faithful bold and courageous rethinking of congregational life and witness in substance purpose and style His own 20 years of ministry in rural suburban and urban congregations inform an alternative rooted deeply in the past and anchored in strong leadership and worship but also profoundly compassionate and engaged in the surrounding community In this model pastors primary responsibilities are not to fix everything and everybody but to enable people to be present to each other and to provide hope

Adoptive Church (Youth, Family, and Culture) Chap Clark, 2018-10-16 Teens and emerging adults don't feel at home in the church because they are not fully included in the church body How can congregations nurture young adults welcome them as siblings into God's household and empower them to become fully embedded contributors within and to their faith community Integrating the latest research on adolescent faith and young adult ministry for the local church this book presents a new way of thinking about youth ministry Chap Clark offers today's youth leaders highly practical principles based on his extensive experience showing how they can implement a sustainable youth ministry program in their local church He presents the adoptive youth ministry model as a way to help congregations see youth ministry as a bridge to inclusion participation and contribution in the body of Christ Clark's comprehensive plan for designing and implementing youth ministry shows churches how to intentionally welcome young people and create an environment where they belong
