The Team's Last Shot Jeremy Wakeman, 2025-08-26 The Team's Last Shot is about a military family who encourages their son to follow his passion of playing basketball through moving to different places and new schools after experiencing highs such as watching state qualifying basketball teams and NCAA championship players and coaches early in life and taking those lessons to where he finally graduates high school and the different adventures that brings. With the challenges of high school come the other adventures of relationships, choosing colleges, life choices and friendships that were shared with other military families and nonmilitary families. The story concentrates on one's faith, friendships, family love and how faith centers the good and bad challenges in life.

Transformational Coaching to Lead Culturally Diverse Teams Sunny Stout-Rostron, 2019-01-17 In this book Dr Sunny Stout Rostron examines real world experience and the contemporary literature on group and team coaching. She analyses how team coaching can guide coaches to help leaders and teams flourish in complex culturally diverse organisations. As well as presenting a variety of team coaching models, she also presents her own model High Performance Relationship Coaching, the result of many years of working with global corporate teams. Dr Stout Rostron illuminates how team coaches can help teams to learn from and interpret their own experiences and to understand the complexity of the environment in which they work. Her team coaching model is explored over eight chapters beginning with the role of the business team coach and leadership coaching processes. She evaluates how to work in the Fourth Industrial Revolution and how to shift culture through transformative leadership coaching. Explains the depth of relationship systems coaching and explores how to apply a variety of methods including Ubuntu coaching. The book encourages team coaches to develop deep self awareness, team awareness, cultural diversity awareness and wider systemic and relationship awareness. Filled with practical stories and examples, it describes how to work successfully with these models in the real world. Transformational Coaching to Lead Culturally Diverse Teams is a key guide for coaches in practice and in training. HR and L D professionals and executives in a coaching role. This is essential reading for all team coaches.

The First Yankees Dynasty Gary A. Sarnoff, 2014-10-13 When Babe Ruth was sold by the Boston Red Sox to the New York Yankees at the beginning of the Roaring Twenties the stage was set for one of baseball's greatest dynasties With Ruth on board and under manager Miller Huggins the Yankees became America's most popular team and the most dominant team in the American League They won three consecutive pennants 1921 1923 and a World Series 1923 In 1924 the Yankees quest for a fourth consecutive pennant fell short when they finished two games behind the first place Washington Senators Expected to bounce back and win the 1925 championship the Bronx Bombers instead crumbled to the bottom Ruth's love for the nightlife his undisciplined nature and disrespect for his manager had finally caught up to him and it jeopardized his future in baseball This book tells the story of Babe Ruth Miller Huggins and the Yankees rise to glory their collapse in 1925 and their climb back to the top The Changing Paradigm of Consulting Anthony F. Buono, Ralph Grossmann, Hubert Lobnig, Kurt Mayer, 2011-05-01 The 13th volume in the RMC series The Changing Paradigm of Consulting

is based on the best papers presented at the Academy of Management's Management Consulting Division's fourth international conference 2009 on the underlying dynamics within the fast paced world of business and management consulting. Held in Vienna, Austria, the conference brought together academicians, consultants, and organizational practitioners to examine the changes taking place within the consulting field. The book's 19 chapters are divided into five sections that explore the emergence and implications of this new paradigm, delineating and illustrating the paradigm shift taking place within consulting, exploring the ramifications for global consulting, examining the challenges inherent in attempts to capture collaboration and cooperation in inter-organizational networks, analyzing the push toward the professionalization and professionalism of consultancy, and assessing new approaches to management consulting, focusing on innovative instruments, tools, and intervention frameworks. The book captures the myriad complexities and uncertainties faced by consultants and their clients and the concomitant search for appropriate mindsets, attitudes, and orientations, as well as methods, tools, and techniques. As each of the chapters indicates, while there are significant challenges facing the consulting industry, there are also a number of promising frameworks and approaches that can help us successfully meet these challenges. **Grassroots**

Coaching Peter J. McGahey, Peter S. Pierro, 2022-02-18 Coaching is a booming and growing industry, particularly in youth sports. According to the US Bureau of Labor Statistics, employment of coaches and scouts is projected to grow 12 percent from 2019 to 2029, much faster than the average for all occupations. Coaches need educational resources to enter the profession, as either a paid coach or a volunteer. **Grassroots Coaching: Using Sports Psychology and Coaching Principles Effectively** is a practical exploration of coaching that focuses on the key tasks of the coach while providing immediately applicable behaviors and concepts. The essential responsibilities and privileges of coaching are introduced along with the appropriate accompanying sport psychology and coaching principles. This book is structured as a personal independent reader and an organization trainer reference manual. Opportunities for self-reflection and exploration are provided throughout. Utilizing examples from many sports, **Grassroots Coaching** offers practical coaching insights and techniques for all coaches, from the novice coach just beginning their coaching journey to the veteran coach looking to touch up their skills. This book is sure to become a foundational resource on every coach's bookshelf.
