Tearing The Silence On Being German In America:

Tearing the Silence Ursula Hegi,1997 They share their pain with us their guilt their anger and their compassion as they take us into the world of their parents and try to sort out the impact of the war on their own lives The more specific these life stories are the more universal they become **Tearing the Silence** Ursula Hegi,2011-05-24 Ursula Hegi grew up in

Germany and moved to the United States at age eighteen As she grew older and raised a family questions about her roots and her native land haunted her until at last she felt compelled to write about them *Tearing the Silence* brings together her interviews with dozens of German born Americans and their confrontations with the taboo of the Holocaust *Tearing The*

Silence Ursula Hegi,1998-07-03 Reveals the feelings of those German born Americans who still carry the burden of shame brought on by the Holocaust **German Propaganda and U.S. Neutrality in World War I** Chad R. Fulwider,2017-07-31

In the fading evening light of August 4 1914 Great Britain's H M S Telconia set off on a mission to sever the five transatlantic cables linking Germany and the United States Thus Britain launched its first attack of World War I and simultaneously commenced what became the war's most decisive battle the battle for American public opinion In this revealing study Chad Fulwider analyzes the efforts undertaken by German organizations including the German Foreign Ministry to keep the United States out of the war Utilizing archival records newspapers and official propaganda the book also assesses the cultural impact of Germany's political mission within the United States and comments upon the perception of American life in Europe during the early twentieth century Language Learner Narrative Helen O'Sullivan,2014-01-02 Increasing numbers of

people have contact with other cultures and languages *Language Learner Narrative* examines representations of this phenomenon in literary texts using an applied linguistic approach This analysis of written narratives of language learning and cross cultural encounter complements objective studies in intercultural communication and second language acquisition research Kant's use of the term *Mündigkeit* in his essay *What is Enlightenment* is used to frame the complex issues of language identity meaning and reality presented by the texts Augmented by Pierre Bourdieu's concept of linguistic capital this framing forms a counterpoint to the positioning of these authors as avatars of poststructuralist wisdom Eva Hoffman The work includes a uniquely detailed linguistic analysis of Emine Sevgi Zdamar's *Mutter Zunge* and further texts by other widely studied and less familiar authors Yoko Tawada Eva Hoffman Vassilis Alexakis Z Do Rock It also lists literary sources of language learner narrative Through its fundamental examination of what and how language means to us as individuals this volume will be of wide appeal to students and researchers in applied linguistics second language acquisition intercultural communication and literary studies *Culturally Responsive Teaching* Geneva Gay,2010 The achievement of students of color continues to be disproportionately low at all levels of education More than ever Geneva Gay's foundational book on culturally responsive teaching is essential reading in addressing the needs of today's diverse student population Combining insights from multicultural education theory and research with real life classroom stories Gay demonstrates that all students

will perform better on multiple measures of achievement when teaching is filtered through their own cultural experiences This bestselling text has been extensively revised to include expanded coverage of student ethnic groups African and Latino Americans as well as Asian and Native Americans as well as new material on culturally diverse communication addressing common myths about language diversity and the effects of English Plus instruction

Conceptions of Postwar German Masculinity Roy Jerome, 2001-04-19 This groundbreaking work examines the long ignored issue of masculinity and masculine identity in German culture society and literature from 1945 to the present Utilizing emerging men s studies theories feminism psychoanalysis and literary studies the book provides a resource for understanding how masculinity informs homosocial male female and adult child relations Psychologists literary scholars and philosophers survey the current state of men s studies in the German academy the representation of masculinity in postwar German literature the psychic legacies of fascism Turkish German masculinities Jewish German masculinities Neo Nazi masculine identity and the relationship between child sexual abuse and masculinity Most significantly the book offers tools for critical reflection on how men maintain power over women and other less powerful groups

On Being Adjacent to Historical Violence Irene Kacandes, 2021-12-06 This book offers to academic and general public readers timely reflections about our relationships to violence Taking cues from the self reflexivity themes and subject matters of Holocaust queer and Black studies this large group of diverse intellectuals wrestles with questions that connect past present and future where do I stand in relation to violence What is my attitude toward that adjacency Whose story gets to be told by whom What story do I take this image to be telling How do I co witness to another s suffering How do I honor the agency and resilience of family members or historical personages How do past violence and injustice connect to the present In smart self conscious passionate and often painfully beautiful prose cultural practitioners historians and cultural studies scholars such as Angelika Bammer Doris Bergen Ann Cvetkovich Marianne Hirsch Priscilla Layne Mark Roseman Leo Spitzer Susan R Suleiman and Viktor Witkowski explore such questions inviting readers to do the same By making available compelling examples of thinkers performing their own work within the cauldron of crises that came to a boil in 2020 and continued into the next year this volume proposes strategies for moving forward with hope
