**Cry: Dark Poetry from a Troubled Mind** Anthony Uyl, 2015-11-29 Everyone knows it's out there but no one really wants to talk about it Depression What you will read is my struggle with years of suffering My struggle with sadness anger and love is all reflected inside Some of this may seem a bit chaotic sometimes moving from a romantic poem to an all out angry and sad rant That is the way of depression however at one moment you are fine and everything is sunshine and roses the next you can't see any goodness in life and just want to end everything

**The Shadow Teller's Plays** Bill Reed, 2017-12-13 In a volume containing 14 original plays including three shadow play adaptations of Gogol Morton and Runyon classics the author resurrects a sadly neglected theatre genre the shadow play combining traditional shadow techniques with normal acting to create full bodied mainstream plays These plays do not use shadow puppetry type techniques that need people contorting themselves however wonderfully to form shapes but rather normal acting prowess together and usual props of mainstream theatre with the new back lighting technologies The result is plays which are realistic and yet overlain with the imaginative fantasies that figure theatre can bring in a fallow area lying between mime and conventional stage plays a rediscovered form of a modern staging that crosses between live and shadow effect whether in workshoping for all ages and group size or for professional productions Shadow plays comprise the theatre landscape for live actors re skilled to jump from behind the screen one dimensional acting to front of the screen three dimensional acting at any moment of the play They allow a new and exciting way of presenting the combination of the real and the surreal in ways that offer broadened audience and student experiences under the master of storytelling of a shadow teller together with the master of pacing of a mobile light spotter
