Raffaela Di Napoli

Tears Of My Soul The True Story Of A North Korean Spy:

Marching Through Suffering Sandra Fahy, 2015-04-21 *Marching Through Suffering* is a deeply personal portrait of the ravages of famine and totalitarian politics in modern North Korea since the 1990s Featuring interviews with more than thirty North Koreans who defected to Seoul and Tokyo the book explores the subjective experience of the nation's famine and its citizens social and psychological strategies for coping with the regime These oral testimonies show how ordinary North Koreans from farmers and soldiers to students and diplomats framed the mounting struggles and deaths surrounding them as the famine progressed Following the development of the disaster North Koreans deployed complex discursive strategies to rationalize the horror and hardship in their lives practices that maintained citizens loyalty to the regime during the famine and continue to sustain its rule today Casting North Koreans as a diverse people with a vast capacity for adaptation rather than as a monolithic entity passively enduring oppression *Marching Through Suffering* positions personal history as key to the interpretation of political violence

The Tears of My Soul Hyŏn-hŭi Kim, 1993 Kim Hyun Hee was trained by the North Korean Army to be one of the deadliest espionage agents on the face of the Earth This is the true story of her terrorist acts and her lifelong repentance

The Lazarus Heist Geoff White, 2022-06-09 BASED ON THE NO 1 HIT PODCAST THE LAZARUS HEIST They have been accused of causing mayhem in Hollywood with 2014's infamous Sony hack They're allegedly behind WannaCry a cyber attack which brought the NHS to a dangerous standstill And it has been claimed that they have stolen more than 1bn in an international crime spree They are the Lazarus Group a shadowy cabal of hackers accused of working on behalf of the North Korean state From the streets of Dhaka to the casinos of Macau to the secretive capital of Pyongyang this shocking story uncovers the secret world of the Lazarus Group their victims and those who have tried and so far failed to stop them Madly intriguing Guardian You'll never see North Korea the same way again Oliver Bullough Moneyland One of the most incredible cyber espionage stories I've ever heard Jamie Bartlett The Missing Crypto Queen Pacy and eye popping Tom Burgis Kleptopia

Contemporary Authors Scot Peacock, Terrie M. Rooney, 1998 Your students and users will find biographical information on approximately 300 modern writers in this volume of Contemporary Authors Authors in this volume include Ira Gershwin Mother Teresa William Strunk Jr Thomas Wiloch [Asia-prashant](#), 1994 **Asiaweek**, 1993

The Invitation-Only Zone Robert S. Boynton, 2025-09-23 A bizarre little known tale about the most secretive culture on earth For decades North Korea denied any part in the disappearance of dozens of Japanese citizens from Japan's coastal towns and cities in the late 1970s But in 2002 with his country on the brink of collapse Kim Jong-il admitted to the kidnapping of thirteen people and returned five of them in hopes of receiving Japanese aid As part of a global espionage project the regime had attempted to reeducate these abductees and make them spy on its behalf When the scheme faltered the captives were forced to teach Japanese to North Korean spies and make lives for themselves marrying having children and posing as North Korean civilians in guarded communities known as Invitation Only Zones the fiction

being that they were exclusive enclaves not prisons From the moment Robert S Boynton saw a photograph of these men and women he became obsessed with their story Torn from their homes as young adults living for a quarter century in a strange and hostile country they were returned with little more than an apology from the secretive regime In *The Invitation Only Zone* Boynton untangles the bizarre logic behind the abductions Drawing on extensive interviews with the abductees Boynton reconstructs the story of their lives inside North Korea and ponders the existential toll the episode has had on them and on Japan itself He speaks with nationalists spies defectors diplomats abductees and even crab fishermen exploring the cultural and racial tensions between Korea and Japan that have festered for more than a century A deeply reported thoroughly researched book *The Invitation Only Zone* is a riveting story of East Asian politics and of the tragic human consequences of North Korea's zealous attempt to remain relevant in the modern world [North Korea Undercover](#) John

Sweeney,2015-07-15 North Korea is like no other tyranny on earth Its citizens are told their home is the greatest nation on earth Big Brother is always watching It is Orwell's 1984 made reality Award winning BBC journalist John Sweeney is one of the few foreign journalists to have witnessed the devastating reality of life in the controversial and isolated nation of North Korea having entered the country undercover posing as a university professor with a group of students from the London School of Economics Huge factories with no staff or electricity hospitals with no patients uniformed child soldiers and the world famous and eerily empty DMZ the DeMilitarized Zone where North Korea ends and South Korea begins all framed by the relentless flow of regime propaganda from omnipresent loudspeakers Free speech is an illusion one word out of line and the gulag awaits State spies are everywhere ready to punish disloyalty and the slightest sign of discontent Drawing on his own experiences and his extensive interviews with defectors and other key witnesses Sweeney's *North Korea Undercover* pulls back the curtain providing a rare insight into life there today examining the country's troubled history and addressing important questions about its uncertain future **Current Contents. Arts & Humanities** Institute for Scientific

Information,1994 **The Publishers Weekly** ,1993 **Book Review Digest** ,1995 [Forthcoming Books](#) Rose Army,1997 **Bibliographic Guide to East Asian Studies** ,1993 **Arts & Humanities Citation Index** ,1994 [Los Angeles Magazine](#) ,2003-11 Los Angeles magazine is a regional magazine of national stature Our combination of award winning feature writing investigative reporting service journalism and design covers the people lifestyle culture entertainment fashion art and architecture and news that define Southern California Started in the spring of 1961 Los Angeles magazine has been addressing the needs and interests of our region for 48 years The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian

Not Forgotten Kenneth Bae,Mark Tabb,2016-05-03 For the first time since his two year imprisonment in North Korea Kenneth Bae recounts his dramatic ordeal in vivid detail While leading a tour group into the most shrouded country on the planet Bae is stopped by officials who immediately confiscate his belongings With his computer hard drive in hand the

officers begin their interrogation and Bae begins his unexpected decent into North Korean obscurity Bae s family and friends make immediate appeals to the United States government asking for his release With his family waiting patiently for any news of Kenneth s well being Bae is forced to rely solely on his faith for his survival At his lowest point Bae is confronted with the reality that he may not make it out alive Not Forgotten is a riveting true story of one man s fight for survival against impossible odds

Every Falling Star Sungju Lee, Susan Elizabeth McClelland, 2017-10-17 Every Falling Star the first book to portray contemporary North Korea to a young audience is the intense memoir of a North Korean boy named Sungju who was forced at age twelve to live on the streets and fend for himself To survive Sungju creates a gang and lives by thieving fighting begging and stealing rides on cargo trains Sungju richly recreates his scabrous story depicting what it was like for a boy alone to create a new family with his gang his brothers to daily be hungry and to fear arrest imprisonment and even execution This riveting memoir allows young readers to learn about other cultures where freedoms they take for granted do not exist

Kim's Memoir Young-Koo Kim, 2018-08-17 This is an 80 year old retired jurist s autobiography He has lived through the World War Two Korean War the Cold War and the notorious ideological and espionage War of the South vs North Korea As a matter of fact prosperous South Korea has been defeated by the poor North Korea in this political and espionage war As a junior naval officer he actually joined the bloody sea engagement to hunt the North Korean spy ship Later he studied law at Seoul National University Law College He had been a law professor in the faculty of KMU from 1989 to 2004 This is a genuine record of encountering with many deep hearted Koreans and many other honest and touching people whom he has met as a soldier and later as a jurist He loved them with genuine heart Above all he loves his country In this book he explains a few important historical facts and legal corollaries about Korea vs Japan rivalry which we have not been heard from usual and easy materials As free democratic nations Korea and Japan should have a keen and firm allied relationship But with such deeply latent historical burdens Korea and Japan could not have any honest and fair neighborhood never ever His desperate point is that the only way for the people of Korea and Japan to overcome this burden is pursuing only the truth of history and political sincerity In this book he is telling about two pigeons In this short story he tells us that every creatures including human being is pitiful They have only a humble and helplessly weak condition But these weak beings render and share the genuine care and affection each other and they can accomplish to reach the imposing and honorable world This writer wants his intuitive hope to be spread and co owned in between the earnest readers of this book

Operation Broken Reed Arthur L. Boyd, 2025-04-08 The remarkable story of a top secret black operation behind enemy lines during the Korean War a suspenseful saga of heroism and sacrifice Publishers Weekly At the height of the Korean War President Truman launched one of the most important intelligence gathering operations in history So valuable were the mission s findings about the North Korean Soviet Chinese alliance that it is no stretch to say they prevented World War III Only one man sworn to secrecy for a half century survived Operation Broken Reed Arthur Boyd recalls his role as

cryptographer on a team of Army Rangers Navy Frogmen Air Force officers and CIA operatives that posed as the captured crew of a B 29 bomber in January 1952 Given cover names and cyanide capsules in case of discovery the men were transported by Chinese Nationalists wearing Communist uniforms across North Korea where undercover allies delivered information about troop strengths weaponry and intention Fraught with danger the mission came apart on its last day when the Americans came under fire from Chinese forces wise to the operation The members of Broken Reed supplied Truman with proof of massive Chinese and Soviet buildups and a heavy Soviet bomber group in Manchuria fully loaded with atomic weapons With the potential destruction of the world outlined in front of him Truman chose not to escalate the Korean War saving millions of lives A chilling story and if true certainly an amazing one in the annals of wartime espionage Library Journal An absorbing technically accurate story of military derring do from a half forgotten war Kirkus Reviews A fascinating account Military Officer

The Girl With Seven Names Hyeonseo Lee, 2014-09 An extraordinary insight into life under one of the world's most ruthless and secretive dictatorships and the story of one woman's terrifying struggle to avoid capture repatriation and guide her family to freedom As a child growing up in North Korea Hyeonseo Lee was one of millions trapped by a secretive and brutal communist regime Her home on the border with China gave her some exposure to the world beyond the confines of the Hermit Kingdom and as the famine of the 1990s struck she began to wonder question and to realise that she had been brainwashed her entire life Given the repression poverty and starvation she witnessed surely her country could not be as she had been told the best on the planet Aged seventeen she decided to escape North Korea She could not have imagined that it would be twelve years before she was reunited with her family She could not return since rumours of her escape were spreading and she and her family could incur the punishments of the government authorities involving imprisonment torture and possible public execution Hyeonseo instead remained in China and rapidly learned Chinese in an effort to adapt and survive Twelve years and two lifetimes later she would return to the North Korean border in a daring mission to spirit her mother and brother to South Korea on one of the most arduous costly and dangerous journeys imaginable This is the unique story not only of Hyeonseo's escape from the darkness into the light but also of her coming of age education and the resolve she found to rebuild her life not once but twice first in China then in South Korea Strong brave and eloquent this memoir is a triumph of her remarkable spirit
