

# THE SOCIOLOGY OF HOUSEWORK

ANN OAKLEY

# Sociology Of Housework

**Jonathan H. Turner**

## Sociology Of Housework:

**The Sociology of Housework** Ann Oakley, 2018-10-31 In this ground breaking book acclaimed sociologist Ann Oakley undertook one of the first serious sociological studies to examine women's work in the home. She interviewed 40 urban housewives and analysed their perceptions of housework, their feelings of monotony and fragmentation, the length of their working week, the importance of standards and routines, and their attitudes to different household tasks. Most women, irrespective of social class, were dissatisfied with housework, an important finding which contrasted with prevailing views. Importantly too, she showed how the neglect of research on domestic work was linked to the inbuilt sexism of sociology. This classic book challenged the hitherto neglect of housework as a topic worthy of study and paved the way for the sociological study of many more aspects of women's lives.

**The Sociology of Housework** Ann Oakley, 2018 In this ground breaking book acclaimed sociologist Ann Oakley undertook one of the first serious sociological studies to examine women's work in the home. She interviewed 40 urban housewives and analysed their perceptions of housework, their feelings of monotony and fragmentation, the length of their working week, the importance of standards and routines, and their attitudes to different household tasks. Most women, irrespective of social class, were dissatisfied with housework, an important finding which contrasted with prevailing views. Importantly too, she showed how the neglect of research on domestic work was linked to the inbuilt sexism of sociology. This classic book challenged the hitherto neglect of housework as a topic worthy of study and paved the way for the sociological study of many more aspects of women's lives.

*The Sociology of Housework* Ann Oakley, 2019 Ann Oakley analysed the perceptions of 40 urban housewives around housework, their feelings of monotony and fragmentation, the length of their working week, the importance of standards and routines, and their attitudes to different household tasks. This classic text paved the way for the sociological study of many more aspects of women's lives.

*The Science of Housework* Ann Oakley, 2024-07-25 This book recaptures the buried history of the household science movement, including domestic science, teaching, public health, higher education for women, and the scientific content and aims of domestic science courses.

**The sociology of housework**, 1978 Sociological Theory Bert N. Adams, R. A. Sydie, 2001-01-30 Providing a concise and comprehensive introduction to both classical and contemporary social thought, this volume makes social theory and social theorists accessible and meaningful.

The Ann Oakley Reader Ann Oakley, 2005-06-29 This book brings together edited extracts from classic texts by the internationally renowned feminist sociologist Ann Oakley. Edited and selected by the author herself, it starts with work first published in the early 1970s.

The Science of Housework Ann Oakley, 2024-07-25 This book recaptures the buried history of the household science movement, including domestic science, teaching, public health, higher education for women, and the scientific content and aims of domestic science courses.

Why Who Cleans Counts Shannon N. Davis, Theodore N. Greenstein, 2020-02-19 Every household has to perform housework, and researchers know a lot about what predicts who does which chores, drawing frequently from

theoretical explanations that highlight the importance of power dynamics This book moves beyond the existing scholarship by using quantitative nationally representative survey data to theorize about how power dynamics as reflected in housework performance help us understand broader family variations The authors investigate how knowing who cleans the house explains how households of differing forms demographics and compositions operate both cross sectionally and over the life course of the household      Families, Labour and Love Maureen Baker,2001 Annotation We think of family life as very personal but in fact it is shaped by influences well beyond our control Families Labour and Love identifies the ways in which family and personal life in three settler societies Australia New Zealand and Canada have been shaped by colonization immigration globalization demographic changes law and policy Baker shows that these three countries each a former colony developed similar family trends and similar family policies The family practices of indigenous people were largely overlooked as were those of recent immigrant groups Strongly gendered patterns of paid and unpaid work played a major role in family life Nevertheless local conditions also produced significant differences in family experiences among the three countries Containing numerous examples comparative data and textual sources Families Labour and Love provides a wide ranging analysis of the family that will appeal to students researchers and policy makers BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved      **Mothers and Such** Maxine L. Margolis,1985-08-07      *Work and Society* Tim Strangleman,Tracey Warren,2008-04-10 Work and Society provides a comprehensive investigation of the major trends in work and employment The changing social order and its impact upon the labour market in recent years alongside the huge changes brought about by new technology and globalization are considered      The Sexual Contract Carole Pateman,2014-03-25 Carole Pateman is one of the foremost political theorists writing in English today In this outstanding new work she presents a major reinterpretation of modern political theory She shows how standard discussions of social contract theory tell only half the story The sexual contract which establishes modern patriarchy and the political right of men over women is never mentioned In a wide ranging and scholarly discussion Pateman examines the significance of the political fictions of the original contract and the slave contract She also offers a sweeping challenge to conventional understandings of both left and right of actual contracts in everyday life the marriage contract the employment contract the prostitution contract and the new surrogacy contract By bringing a feminist perspective to bear on the contradictions and paradoxes surrounding women and contract and the relation between the sexes she is able to shed new light on the fundamental problems of freedom and subordination The Sexual Contract will become a classic text in the politics of gender and will be of major interest to students of social and political theory and philosophy women s studies sociology and jurisprudence

**Critical Social Research** Lee Harvey,2025-07-11 Originally published in 1990 Critical Social Research is a unique methodology textbook that provides students lecturers and indeed all those involved in social research with an invaluable illustrative guide The author argues that critical social research offers a perspective and a methodology that transcends

divisions between quantitative and qualitative approaches At the heart of critical social research is the idea that knowledge is structured by existing sets of social relations its aim is to provide knowledge that engages with and challenges prevailing oppressive social structures This book is divided into three sections each addressing a different form of oppression those based on class gender and race Case studies from research published for the most part in North America and Britain are used extensively to demonstrate how empirical critical social research has been done The case studies consisting of evaluative summaries of important published research will in themselves form a useful resource for students They reveal a variety of techniques including historical analysis critical ethnography and semiological and structuralist approaches Critical social research is extremely varied and may often appear complex this text provides a cogent explanation of its methodological operation that links epistemological underpinnings to practical techniques

*Canadian Women's Issues* Pierson, Ruth Roach, Cohen, Marjorie Griffen, 1993 Preface Acknowledgements 1 The Politics of the Domestic Sphere Documents Ruth Roach Pierson 2 Paid Work Documents Marjorie Griffen Cohen 3 Education and Training Documents Ruth Roach Pierson 4 Feminisms Effect on Economic Policy Documents Marjorie Griffen Cohen 5 Global Issues Documente Ruth Roach Pierson List of Acronyms Permissions Bibliography Index

**The Politics of Domestic Consumption** Stevi Jackson, Shaun Moores, 2014-06-06 This Reader brings together a broad range of critical work on on the everyday practices and power relations of domestic consumption drawing on material from sociology women s studies and media and cultural studies The book is divided into five main sections on economics food and clothing leisure and media reception household technologies and the construction of home and its selected contributions examine the social dynamics of gender generation class and ethnicity

*Contemporary Sociological Theory* Jonathan H. Turner, 2012-09-20 Written by award winning scholar Jonathan Turner Contemporary Sociological Theory covers the range of diversity of theory in nine theoretical traditions and variants of theoretical approaches in these traditions The result is a comprehensive review of present day theorizing in sociology covering functional evolutionary ecological conflict interactionist exchange structuralist cultural and critical theories and the major proponents of these theories Moreover for each theoretical tradition it origins are examined in a separate chapter with an eye to how classical theorists influenced the work of key contemporary scholars This book will serve as a valuable resource for those readers seeking in depth and comprehensive coverage of contemporary traditions in their historical contexts Unlike many texts coverage is comprehensive and deep The theories and their origins are examined in detail so that readers can fully understand the origins and present profile of theories in present day sociology Unlike many texts that skim over theories on the surface this book seeks to unlock for the reader their underlying structure of each theory The book is written in a modular format so that theories and traditions can be examined in any order and in many diverse combinations If desired only the contemporary theories can be read without attention to their historical contexts or the reverse is true if readers want to understand the historical origins of a particular theoretical tradition Since Jonathan Turner

is an active theorist in his own right he brings to the book an appreciation of how theories are created as an insider rather than as only a commentator on theory As such he is able to bring out the underlying assumptions structure and form of a theory in new and interesting ways for casual readers and scholars alike      *Contemporary Sociological Theory* Steven Loyal, Sinisa Malesevic, 2020-10-12 Introducing you to the most important thinkers and schools of thought in contemporary sociological theory from Parsons and Merton to the Frankfurt School to Foucault Bourdieu Giddens and Hochschild this accessible textbook firmly locates key ideas in social political and historical context By doing so it helps you to understand the development of central sociological concepts and how they can help us understand the contemporary world The book includes Lively biographical sections so you can get to know each thinker Clear and easy to understand accounts of each theorist s arguments and the most common criticisms Key concept boxes highlighting the most influential ideas This comprehensive textbook brings the diverse field of contemporary sociological theory to life Essential reading for all students of Sociology and Sociological Theory      *Chinese Families* Man-yee Kan, Sampson Lee Blair, 2021-01-25 Chinese societies have undergone a tremendous amount of social political and economic change which have been a catalyst for substantial shifts in fundamental structures within Chinese families This edited collection focuses on the continuities and changes in gender and inter generational relations of Chinese families in Greater China      From Feminism to Liberation Altbach, At the end of the 1960s the women s liberation movement proclaimed the emergence of a new American feminism which would make the leap from feminism to liberation In the second decade of the feminist revival in America the women s movement feels a collective responsibility to make an interim report to record the history of the movement for those who come after its ecstatic beginnings Moreover a decade seems a natural interval to evaluate the errors and the lasting triumphs of this developing movement

When somebody should go to the books stores, search opening by shop, shelf by shelf, it is in fact problematic. This is why we offer the ebook compilations in this website. It will extremely ease you to look guide **Sociology Of Housework** as you such as.

By searching the title, publisher, or authors of guide you truly want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be all best place within net connections.
