*Authority in Social Casework* Robert Foren, Royston Bailey, 2016-06-06 *Authority in Social Casework* reviews the various settings in which social work is practiced This book describes the presence of some component of authority in all casework situations while distinguishing the modes suitable to each setting and to the various needs of clients Organized into three parts encompassing 10 chapters this book begins with an overview of the practice of social casework in an authority setting This text then examines the different concepts of authority as they affect the casework process Other chapters consider the ways in which authority inheres in the role and function of workers in various casework settings This book discusses as well the ways in which the nature of the setting determines the types of authority its workers possess The final chapter deals with the use of a more assertive casework methods of support which depends on the accurate assessment of the degree of maturity indicated by the client Caseworkers will find this book useful      **Principles and Practice of Forensic**

**Psychiatry, 2Ed** Yasuhiro Monden, 2003-02-28 The second edition of this award winning textbook has been thoroughly revised and updated throughout Building on the success of the first edition the book continues to address the History and Practice of Forensic Psychiatry Legal Regulation of the Practice of Psychiatry Psychiatry in relation to Civil Law Criminal Law and Family Law Importan      **Transitional Development and Attitudinal Changes in Society** Man Singh Das, Vijay

Kumar Gupta, 1996 The attitude concept is the widely acclaimed means of sociologists and psychologists for the analysis of emperical research used in the analysis of related theories and generalizations Rapid changes in attitudes have been taking place in the recent decades due to the fast pace of economic development      **Routledge Revivals: Guards Imprisoned**

**(1989)** Lucien X. Lombardo, 2016-10-04 First published in 1989 *Guards Imprisoned* provides an in depth look into the work and working life of prison guards as they perceive and experience it The author who was a teacher at Auburn Prison New York discovered that little was known about the guard s perceptions of his place in the prison community and set out to explore the dynamics of this key correctional occupation from the perspective of those who do it The raw data was provided by over 160 hours of interviews with guards and is presented in the order of a natural history from their prerecruitment images of prison to the search for satisfaction as experienced guards The book also includes a follow up with the officers who were originally interviewed in 1976 assessing patterns of change and stability in their attitudes and behaviors The Auburn Correctional Facility renamed from Auburn Prison in 1970 was the second state prison in New York the site of the first execution by electric chair in 1890 and the namesake of the famed Auburn System replicated across the country in which

people worked in groups during the day were housed in solitary confinement at night and lived in total silence The facility is celebrating the 200th anniversary of its groundbreaking in 2016     A Sociology of American Corrections Neal Shover,1979

Farrington,Roger Tarling,1985-01-01 Prediction in Criminology is the first book to bring together a wide variety of articles on prediction research in criminology It stresses not only substantive findings but also the methodology of prediction research and demonstrates how similar issues arise in many applications problems of research design the choice of predictor and criterion variables methods of selecting and combining variables into a prediction instrument measures of predictive efficiency and external validity or generalizability The collection includes research from the United States Canada and Great Britain and will be of interest to an international audience of policy makers practitioners academics and researchers     **Currents of Thought in African Sociology and the Global Community**

Joshua Awosan,2009 Currents of Thought in African Sociology and the Global Community focuses on research findings further enriched in the realm of the emergent indigenous African sociology within a global context An authentic guide it has potential to expose readers to the intricacy of research in its various ramifications Its uniqueness consists in casting in an explanatory framework what each of the subdisciplines of sociology is all about while simultaneously discussing the theoretical and methodological orientations in which the accompanying research findings are situated The transition of sociology in Africa inextricably tied in with global dimension is its major theme And discussion questions exercises and essays at the end of each chapter constitute a stimulating teaching tool Its theoretical coverage straddles a wide variety of paradigms from structural functional theory and conflict theory to symbolic interactionism ethnomethodology dramaturgy exchange theory etc The book will be of use in courses in sociology anthropology research methods global human issues African and African American studies Third World societies and criminal justice Besides it constitutes an experiential celebration of deivory towerism emphasizing the involvement of the academic citadel with the community     *U.C. Davis Law Review* University of California, Davis. School of Law,2006-11     **In Defense of Youth** William Vaughn Stapleton, Lee E.

Teitelbaum,1972-11-15 In recent years the decisions of the United States Supreme Court in the area of juvenile law and the growing public awareness of the delinquency problem have brought about drastic changes in American juvenile courts This book represents a major research effort to determine the effect of defense counsel s performance on the conduct and outcome of delinquency cases After a brief historical analysis of the factors leading to changes in juvenile law the authors explore in detail the impact of the lawyer s presence and performance on the outcomes of cases in two juvenile courts The

analysis further explores the various factors influencing a lawyer's defense posture and develops the thesis that the effectiveness of counsel is determined largely by the structure of the delinquency hearing and the willingness and ability of court personnel and procedures to adapt to the introduction of an adversarial role of defense counsel. What makes this study unique is the large scale effort to combine legal analysis and sociological methodology to the study of an action oriented program. The use of the classical experimental design, the selection of control and experimental groups by random assignment and the extent to which the use of this methodology increases the validity of the results will be of interest to both lawyers and social scientists. The book is a major contribution to the growing literature in the field of the sociology of law.
