Newman,2009-12      [Sociological Theory in the Classical Era](#) Laura Desfor Edles,Scott Appelrouth,2009-10-09 This book is a hybrid of text and readings providing both original major writings of sociology s key classical theorists and a theoretical and historical framework written by Edles Applerouth with which to better understand the readings This is a major difference from the traditiional reader which can leave students unmotivated when readings are thrown at them one after another with no interpretive guidance or analytical framework Features Benefits Text plus readings in a hybrid form The text will provides the interpretive and analytical guidance necessary to interpret the readings It includes a 30 page introduction Ch 1 8 14 page introductions in each chapter 1 2 page article introductions and a 10 15 page

conclusion at the end of the book Theoretical Orientation Diagrams and Core Concepts Diagrams provide students a means to fit the theorist under study into the broader universe of social theory Significant Others boxes provide information and biographies on theorists who may have followed and derived much of their own perspective from the major theorists featured in each chapter Discussion questions at the ends of chapters New to this Edition At least 7 new Significant Others boxes Each chapter updated with new examples New readings added to Weber Marx and Durkheim chapters New chronological order for readings where possible where not possible i.e. it does not fit the logical thematic to do so there will be an explanation in the introduction as to why the readings are ordered the way they are

**Extreme Deviance** Erich Goode, D. Angus Vail, 2008 This book takes a look at normative violations that earn the violators a deviant identity in the eyes of the members of mainstream society And so serious likewise that the lives of violators do revolve around the actions the beliefs or the characteristics as well as the consequences such violations have mainly with respect to the social reactions they generate in others When others really don't like what you do believe or are they usually let you know that in no uncertain terms and this is likely to drastically alter your life

*Key Ideas in Sociology* Peter Kivisto, 2004 Key Ideas in Sociology is the only compact and portable book for undergraduate readers that links issues regarding post modern society to the ideas and individuals that gave rise to sociological thinking in the late 19th century This is the ideal text for idea and history oriented introductory sociology courses

**Asian Americans** Pyong Gap Min, 2006 Compared to many existing texts on this subject which tend to take a rather historical approach this book focuses on more contemporary Asian experiences Thus Min has provided a new tool for those of use who have looked for adequate material to teach current Asian American trends in advanced undergraduate courses in the sociology of race as well as in ethnic studies Encompassing a variety of perspectives from prominent scholars makes this book a valuable device to examine the less visible aspects of Asian Americans lives Students and educators alike would certainly benefit from diligent study of this text

TEACHING SOCIOLOGY reviewed October 2006 by Etsuko Maruoka SUNY Stony Brook Offering a broad overview of the Asian American experience Asian Americans provides an accessible resource for all students interested in the expanding and important Asian American population While historical information is provided for each group the main focus is on the variables and issues that impact Asian American life today The scholars who author the chapters look at topics such as labor force participation and economic status educational achievements intermarriage intergroup relations and settlement patterns Photo essays help to enhance the presentations

**Key Features** Covers the Asian American population as a whole as well as individual ethnic groups i.e. Korean Americans Indian Americans etc Covers theories as well as providing sociological data to illustrate issues for Asian Americans as a whole and as individual groups Visual essays on the following topics provide powerful illustrations of the text content Filipino Americans Japanese Americans Korean Americans Chinese Americans South Asian Americans Southeast Asian Americans Economic Adaptation Second Generation Experiences Updated to not only include information derived from

2000 Census data but also has a focus on the second generation experience
