Walking Broad Bruce Buschel, 2007-08-01 Wedged between the hustle of New York and the grandeur of Washington D C Philadelphia is America s smallest big city America s biggest small city and America s most American city It is also a city in flux Bruce Buschel is a native Philadelphian who revisits his hometown and in doing so revisits his personal history and the city s complex identity Buschel was born on Broad Street his father died on Broad Street he flunked out of college sold cameras and purchased drugs on Broad Street he wrote for a newspaper on Broad Street touched JFK s left hand on Broad Street and met his second wife when she worked on Broad Street On his thirteen mile walk down the boulevard Buschel talks to everyone from the old Italian tailor down the corner from the Chinese Mennonite pastor to the Jewish funeral home director across the street from Bilal the Muslim restaurateur On Broad Street he finds livestock just a few steps from Joe Frazier s gym The newly dubbed Gayborhood is just a stone s throw from the home of the heartbreaking Eagles A world class ballet rehearses at the Rock School while outcast rockers practice at the Paul Green School The gas station attendant on Broad Street may be a recent immigrant but he has already adopted the brusque manners and terse responses of a fourth generation Philadelphian Naturally William Penn oversees the whole insecure glorious mess from his perch atop City Hall After 9 11 Americans were drawn to Philly s authenticity and history After decades of decay something positive is happening and dyspeptic Philadelphians are trying to adjust A lot has changed since Buschel grew up there but he hasn t managed to shake the attitudes instilled in childhood mere mention of the 64 Phillies and one of the greatest collapses in baseball history still stings He has retained his irreverent sense of humor his distrust of authority his ambivalence about New York his disdain for New Jersey and above all his sense of loyalty if not outright love for his native city

Tom's Crossing Mark Z. Danielewski, 2025-10-28 From the bestselling author of *House of Leaves* comes a magisterial novel about two friends determined to rescue a pair of horses set for slaughter This is an amazing work of fiction I absolutely loved it At the heart you'll find a blood drenched story of pursuit and two brave and resourceful children But there's so much more I immersed myself Have never read anything like it Stephen King Hard to figure how so much awful horror could've started out with just them two horses and not a one yet named While folks still like to focus on the crimes that shocked the small city of Orvop Utah back in the fall of 1982 not to mention the trials that followed far more remember the adventure that took place beyond municipal lines For sure no one expected the dead to rise but they did No one expected the mountain to fall either but it did No one expected an act of courage so great and likewise so appalling that it still staggers the heart and mind of anyone who knows anything about the Katanogos massif to say nothing of Pillars Meadow As one Orvop high school teacher described that extraordinary feat just days before she died For sure no one expected Kalin March to look Old Porch in the eye and tell him You get what you deserve when you ride with cowards **Heaven, Home and Happiness** Mary
