Soderini And The Medici

Emilie Sanchez

Soderini And The Medici:

The Soderini and the Medici Paula C. Clarke,1991 *The Soderini and the Medici* Paula C. Clarke,1991 A study of politics in 15th century Florence comprising a detailed account of the careers of two brothers Tommaso and Niccolo Soderini and their changing relationship with the Medici family whose rise to power remains the subject of historical debate *The Soderini and the Medici* Paula C. Clarke,1986

The Sack of Rome J. Hook,2004-03-16 The sack of Rome shocked the Christian world Following the battle of Pavia Pope Clement VII joined 1526 the French led League of Cognac to resist the threatened Habsburg domination of Europe Emperor Charles V appealed to the German diet for support and raised an army which entered Italy in 1527 and joined the imperial forces from Milan commanded by the Duke of Bourbon This army marched on Rome hoping to detach the pope from the league The many Lutherans in its ranks boasted that they came with hemp halters to hang the cardinals and a silk one for the pope Rome fell on 6 May 1527 Bourbon being killed in the first assault Discipline collapsed and the city was savagely pillaged for a week before some control was restored Judith Hook s book is here reprinted with a foreward by Patrick Collinson

The Life and Voyages of Americus Vesputius Charles Edwards Lester,Andrew Foster,1903 *The Essential Writings of Machiavelli* Niccolo Machiavelli,2009-07-08 FINALIST 2008 PEN TRANSLATION PRIZE In *The Essential Writings of Machiavelli* Peter Constantine has assembled a comprehensive collection that shows the true depth and breadth of a great Renaissance thinker Refreshingly accessible these superb new translations are faithful to Machiavelli s original beautifully crafted writings The volume features essays that appear in English for the first time such as A Caution to the Medici and The Persecution of Africa Also included are complete versions of the political treatise *The Prince* the comic satire *The Mandrake* *The Life of Castruccio Castracani* and the classic story Belfagor along with selections from *The Discourses* *The Art of War* and *Florentine Histories* Augmented with useful features vital and concise annotations and cross references this unique compendium is certain to become the standard one volume reference to this influential versatile and ever timely writer Machiavelli s stress on political necessity rather than moral perfection helped inspire the Renaissance by renewing links with Thucydides and other classical thinkers This new collection provides deeper insight into Machiavelli s personality as a writer thus broadening our understanding of him Robert D Kaplan author of *Warrior Politics Why Leadership Demands a Pagan Ethos* Constantine s selection is not only intelligent his translations are astonishingly good Thoughtfully introduced by Albert Russell Ascoli this edition belongs in everyone s library John Jeffries Martin professor and chair department of history Trinity University If one were to assign a single edition of Machiavelli s works this most certainly would be it John P McCormick professor department of political science University of Chicago

Machiavelli Alexander Lee,2020-03-19 *Unmasking the Man Behind the Myth A Gripping Biography of Niccol Machiavelli* A wonderfully assured and utterly riveting biography that captures not only the much maligned Machiavelli but also the spirit of his time and place A monumental achievement Jessie Childs author of *God s Traitors* Notorious and often

misunderstood Niccol Machiavelli's legacy has been shaped by his most famous work *The Prince*. But was the man truly as sinister as his reputation suggests? Alexander Lee delves deep into Machiavelli's life from his impoverished childhood and early abuse to his political triumphs and ultimate fall from grace. Through extensive research, Lee reveals surprising connections between Machiavelli's personal experiences and his influential philosophical works. Set against the backdrop of Renaissance Italy, this definitive biography transports readers into the turbulent world Machiavelli navigated from the opulent halls of Florence to the Borgia pope's court and the dungeons of the Stinche prison. Lee's engaging portrait unveils the man behind the myth, offering an intimate look at Machiavelli's marriages, affairs, and the enduring impact of his ideas. Both a captivating character study and a vivid snapshot of a pivotal era, Machiavelli provides an unparalleled exploration of one of history's most intriguing figures, shedding new light on his life, his works, and the world that shaped him.

Florence and its University during the Early Renaissance Jonathan Davies, 2021-10-25 This book makes a substantial contribution to the study of Florentine history. It answers an important but hitherto unresolved question: why did the Florentine Republic keep a university in its capital city between 1385 and 1473 rather than follow the example of other Italian states in maintaining a university in a subject town? Based on a wide range of newly found sources, it discloses that the University owed its survival to the support of the Florentine elite, especially the Medici family and its followers. It reveals systematically the close ties between the University and major developments in the social, economic, political, ecclesiastical, and cultural life of Florence and Florentine Tuscany. The appendices fill some of the greatest gaps in our knowledge of the University, identifying administrators, students, examiners, and teachers.

Machiavellian Democracy John P. McCormick, 2011-01-31 Intensifying economic and political inequality poses a dangerous threat to the liberty of democratic citizens. Mounting evidence suggests that economic power, not popular will, determines public policy and that elections consistently fail to keep public officials accountable to the people. McCormick confronts this dire situation through a dramatic reinterpretation of Niccol Machiavelli's political thought. Highlighting previously neglected democratic strains in Machiavelli's major writings, McCormick excavates institutions through which the common people of ancient, medieval, and Renaissance republics constrained the power of wealthy citizens and public magistrates, and he imagines how such institutions might be revived today. It reassesses one of the central figures in the Western political canon and decisively intervenes into current debates over institutional design and democratic reform. McCormick proposes a citizen body that excludes socioeconomic and political elites and grants randomly selected common people significant veto, legislative, and censure authority within government and over public officials.

A History of Florence, 1200 - 1575 John M. Najemy, 2008-04-15 In this history of Florence, distinguished historian John Najemy discusses all the major developments in Florentine history from 1200 to 1575. Captures Florence's transformation from a medieval commune into an aristocratic republic, territorial state, and monarchy. Weaves together intellectual, cultural, social, economic, religious, and political developments. Academically rigorous yet accessible and appealing to the general reader.

Likely to become the standard work on Renaissance Florence for years to come

Handbook of Organizational Theory and Management Thomas D. Lynch, 1997-11-20 Chronologically arranged to demonstrate the evolution of ideas this book explores major issues in public and government organization theory using classical philosophy Containing over 2000 bibliographic citations the book covers the influence Plato's ideas and Jesus teachings on public administration theory presents Machiavelli as the creator of the modern concept of public administration details the effect of mercantilism on political governance examines the ideas of Jeremy Bentham John Locke Adam Smith and David Hume in American government discusses the importance of Woodrow Wilson the Progressive Reform Era and the Bureau Movement on public administration and more

Florence and Beyond John M. Najemy, 2008 This volume celebrates John M. Najemy and his contributions to the study of Florentine and Italian Renaissance history Over the last three decades his books and articles on Florentine politics and political thought have substantially revised the narratives and contours of these fields They have also provided a framework into which he has woven innovative new threads that have emerged in Renaissance social and cultural history Presented by his many students and friends the essays aim to highlight his varied interests and to suggest where they may point for future studies of Florence and indeed beyond Amazon.com

Illegitimacy in Renaissance Florence Thomas Kuehn, 2002 An investigation of the complex social and legal issues surrounding illegitimate offspring in Renaissance Florence

Renaissance Mass Murder Stephen D. Bowd, 2018 Renaissance Mass Murder explores the devastating impact of war on the men and women of the Renaissance In contrast to the picture of balance and harmony usually associated with the Renaissance it uncovers in forensic detail a world in which sacks of Italian cities and massacres of civilians at the hands of French German Spanish Swiss and Italian troops were regular occurrences The arguments presented are based on a wealth of evidence histories and chronicles poetry and paintings sculpture and other objects which together provide a new and startling history of sixteenth century Italy and a social history of the Italian Wars It outlines how massacres happened how princes soldiers lawyers and writers justified and explained such events and how they were represented in contemporary culture On this basis Renaissance Mass Murder reconstructs the terrifying individual experiences of civilians in the face of war and in doing so offers a story of human tragedy which redresses the balance of the history of the Italian Wars and of Renaissance warfare in favour of the civilian and away from the din of battle This volume also places mass murder in a broader historical context and challenges claims that such violence was unusual or in decline in early modern Europe Finally it shows that women often suffered disproportionately from this violence and that immunity for them as for their children was often partially developed or poorly respected

Francis I Leonie Frieda, 2018-03-08 Francis I 1494-1547 was inconstant amorous hot-headed and flawed Arguably he was also the most significant king that France ever had A contemporary of Henry VIII of England Francis saw himself as the first Renaissance king A courageous and heroic warrior he was also a keen aesthete an accomplished diplomat and an energetic ruler who turned his country into a force to be reckoned

with Bestselling historian Leonie Frieda's comprehensive and sympathetic account explores the life of the most human of all Renaissance monarchs and the most enigmatic *The Renaissance in Italy* Kenneth Bartlett, 2019-11-15 The Italian Renaissance has come to occupy an almost mythical place in the popular imagination The outsized reputations of the best known figures from the period Michelangelo Niccolò Machiavelli Lorenzo the Magnificent Pope Julius II Isabella d'Este and so many others engender a kind of wonder How could so many geniuses or exceptional characters be produced by one small territory near the extreme south of Europe at a moment when much of the rest of the continent still labored under the restrictions of the Middle Ages How did so many of the driving principles behind Western civilization emerge during this period and how were they defined and developed And why is it that geniuses such as Leonardo Raphael Petrarch Brunelleschi Bramante and Palladio all sustain their towering authority to this day To answer these questions Kenneth Bartlett delves into the lives and works of the artists patrons and intellectuals the privileged educated influential elites who created a rarefied world of power money and sophisticated talent in which individual curiosity and skill were prized above all else The result is a dynamic highly readable copiously illustrated history of the Renaissance in Italy and of the artists that gave birth to some of the most enduring ideas and artifacts of Western civilization *The Cambridge Companion to Machiavelli* John M. Najemy, 2010-06-24 Niccolò Machiavelli 1469-1527 is the most famous and controversial figure in the history of political thought and one of the iconic names of the Renaissance The Cambridge Companion to Machiavelli brings together sixteen original essays by leading experts covering his life his career in Florentine government his reaction to the dramatic changes that affected Florence and Italy in his lifetime and the most prominent themes of his thought including the founding evolution and corruption of republics and principalities class conflict liberty arms religion ethics rhetoric gender and the Renaissance dialogue with antiquity In his own time Machiavelli was recognized as an original thinker who provocatively challenged conventional wisdom With penetrating analyses of *The Prince* *Discourses on Livy* *Art of War* *Florentine Histories* and his plays and poetry this book offers a vivid portrait of this extraordinary thinker as well as assessments of his place in Western thought since the Renaissance *The Encyclopaedia Britannica: Evangelical Church-Francis Joseph*, 1910 The last great work of the age of reason the final instance when all human knowledge could be presented with a single point of view Unabashed optimism and unabashed racism pervades many entries in the 11th and provide its defining characteristics Despite its occasional ugliness the reputation of the 11th persists today because of the staggering depth of knowledge contained within its volumes It is especially strong in its biographical entries These delve deeply into the history of men and women prominent in their eras who have since been largely forgotten except by the historians scholars The Guardian <https://www.theguardian.com/books/booksblog> 2012 apr 10 encyclopedia britannica 11th edition **The Encyclopædia Britannica** Hugh Chisholm, 1910 **Encyclopedia Britannica** Hugh Chisholm, 1911
