difficult to see why it has remained a favorite amongst pastors for more than 100 years There are three key elements which  
set this apart from its contemporaries the first being that it gives an exposition or verse by verse annotation of each verse in  
the Bible The second element is that it explores the framework of the text the homiletics Finally it supplies the homilies with  
multiple model sermons from various authors Also included is a translation as well as historical and geographical information  
The Evangelical Magazine and Missionary Chronicle declared This commentary bids fair to take a conspicuous place among  
the ever multiplying aids to the study of the Holy Scriptures It will revive the great work of Lange and will far exceed the  
Speaker s Commentary in the bulk and fullness of its material The peculiarity of the Pulpit Commentary is that it offers  
special assistance to the preacher first by giving him a critical and exegetical exposition of the text of Scripture and then  
providing him with succinct and helpful directions as to the preachable aspects of the chapter and paragraph already  
explained The print edition of this set typically retails for more than 1 000 making the current offered price a very good
