Court-Martial of Jackie Robinson Michael Lee Lanning,2020-02-21 Eleven years before Rosa Parks resisted going to the back of the bus a young black second lieutenant hungry to fight Nazis in Europe refused to move to the back of a U S Army bus in Texas and found himself court martialed The defiant soldier was Jack Roosevelt Robinson already in 1944 a celebrated athlete in track and football and in a few years the man who would break Major League Baseball s color barrier

This was the pivotal moment in Jackie Robinson's pre MLB career. Had he been found guilty he would not have been the man who broke baseball's color barrier. Had the incident never happened he would've gone overseas with the Black Panther tank battalion and who knows what after that. Having survived this crucible of unjust prosecution as an American soldier, Robinson, already a talented multisport athlete, became the ideal player to integrate baseball. This is a dramatic story, deeply engaging and enraging. It's a Jackie Robinson story and a baseball story, but it is also an army story as well as an American story.

The Truth behind Historical Films Tom May, [A Story for All Americans](#) Frank L. Grzyb, 2000. *A Story for All Americans* Vietnam Victims and Veterans formerly titled *Touched by the Dragon* details wartime accounts of average servicemen and women, some heroic, some frightening, some amusing, some nearly unbelievable. The work is a historical compendium of fascinating and compelling stories woven together in a theme format. What makes this book truly unique, however, is its absence of literary pretentiousness. Relating oral accounts the veterans speak in a no-nonsense matter-of-fact way. As seen through the eyes of the veterans, the stories include first-person experiences of infantry soldiers, a flight officer, a medic, a nurse, a combat engineer, an intelligence soldier, and various support personnel. Personalities emerge gradually as the veterans discuss their pre-war days, their training and preparation for Vietnam, and their actual in-country experiences. The stories speak of fear and survival, the paranoia of not knowing who or where the enemy was, the bullets, rockets, and mortars that could mangle a body or snuff out a life in an instant, and going home with a CMH, not the Congressional Medal of Honor, but a Casket with Metal Handles. The veterans also speak of friendships and simple acts of kindness. But more importantly, they speak of healing, both physical and mental.

Unbreakable Hearts: A True, Heart-wrenching Story About Victory...Forfeited! Earl Dusty Trimmer, 2019-05-16. Earl Dusty Trimmer relates with both skill and personal experience events surrounding our most forgettable and misunderstood war in America's history. He brings it all home with his down-to-earth style and considerable knowledge. In *Unbreakable Hearts*, Dusty dives into the Vietnamese history and culture and skillfully brings the reader into understanding our Vietnamese enemy's amazing resolve. He brilliantly explains the evolution of our Vietnamese enemy over hundreds of years of invasions and wars. Always defending their country to remain free became an art. In Chapter 7, Dusty describes the Vietnamese women fighters as Hellcats. My own experience with the formidable Vietnamese Viet Cong women's skills and expertise closely mirrors Dusty's. Hooch girls could plant booby traps in a GI's hooch with a skill and savvy they were forced to learn during decades of on-the-job training in continuous wars with unwelcomed invaders. My own Military Police experience after leaving the infantry revealed these incidents vividly. In later chapters, Dusty moves into our own veterans' profound resolve and toughness. North Vietnam's famed General Giap called us an honorable enemy. One could suggest from this writing that our enemy taught us well. We did things in the Vietnam War the average person would have to go to the movies to believe. After reading Trimmer's descriptions, I must conclude that indeed this book could be one for the movie industry. Dusty Trimmer brings to life our days and nights living and fighting in these

foreboding jungle warfare conditions After reading this fine work and reflecting on my own experiences I cut away a little more of the pain Pride swells for having served with all of these wonderful veterans of the Vietnam War Pain for our terrible losses For myself these experiences culminated in wisdom I would otherwise have failed to achieve God bless Dusty for telling our story Forward march Brothers Pulp Vietnam Gregory A. Daddis,2020-10-22 Explores how Cold War men s magazines idealized warrior heroes and sexual conquerors and normalized conceptions of martial masculinity **The Sniper** Jim Lindsay,2023-03-07 Jim Lindsay s The Sniper reveals for the first time ever the full story of the deadliest sniper in Marine Corps history Chuck Mawhinney who served in the Vietnam war at age 18 written with his full cooperation and participation Charles Chuck Mawhinney is a United States Marine who holds the Corps record for the most confirmed sniper kills and the second most of any US service member in history having recorded 103 confirmed kills in 16 months during the Vietnam War He was also the youngest killing the enemy as a teenager In 1967 at the age of 18 Mawhinney joined the Marines and began his ascent from recruit to the Marine Corps deadliest sniper During his tours in one of the most dangerous war zones of Vietnam his character and charisma helped him deal with life and death in a hell hole with other young men a long way from home After Vietnam Mawhinney married and settled into his post war life raised a family and was content that no one knew of his accomplishments in war Then in 1991 he was startled and dismayed when outed by a fellow Marine sniper Joseph Ward who spoke of Mawhinney s number of kills in his book Dear Mom Newspapers picked up the story and Mawhinney s life changed forever The notoriety troubled him at first but then he accepted the fame and used the opportunity to train service men and lawmen in the art of long distance shooting At last Chuck s full story is told including his heroic exploits in battle and the terrible toll that taking a life exerts on a human being Stories About Marine Snipers During The Vietnam War Jacqueline Bolado,2021-05-27 This relatively short read is worth the short time it requires for a quick visit to Nam with a sniper team plying their skills to keep our boys safe over there in the jungles Then off to Belize we go for a touching tense and fun story of pirates drug smugglers and paradise found lost and then found again The author s detailed telling puts you there so that your mind can experience it all When done the story feels almost like your own memories
