Priscilla Beaulieu Presley is not and never was the fragile demure child woman she has come to personify she is in a word a survivor a woman of indomitable will and almost frightening determination from the Author's Note Child Bride reveals the hidden story of rock icon Elvis Presley's affair with fourteen year old Priscilla Beaulieu the ninth grader he wooed as a G I in Germany and cloistered at Graceland before marrying her to fulfill a promise to her starstruck parents But who is Priscilla and what was her role in their infamous relationship Award winning biographer Suzanne Finstad perceptively pieces together the clues from candid interviews with all the Presley intimates including Priscilla herself along with hundreds of sources who have never before spoken publicly to uncover the truth behind the legend of Elvis and Priscilla a tumultuous tale of sexual attraction and obsession heartbreak and loss Child Bride the definitive biography of Priscilla Beaulieu Presley unveils the controversial woman who evolved from a lonely teenager bound to the King of Rock and Roll into a shrewd businesswoman in control of the multimillion dollar Elvis Presley empire a rags to riches saga of secrets lies and betrayal

Elvis Presley: A Life In Music Ernst Jorgensen, 1998 With exclusive access to the RCA vaults producer Ernst Jorgensen brings to intimate life every moment that Elvis spent in the studio from the spontaneous joy of his early sessions to the intensely creative periods of his later career 150 color and b w photos Elvis by the Presleys Priscilla Beaulieu Presley, Lisa Marie Presley, 2005 Family photos reminiscences and still life photography of Elvis's possessions **Elvis Presley** Bobbie Ann Mason, 2007-07-31 A vibrant sympathetic portrait of the once and future king of rock n roll by the award winning author of *Shiloh* and *In Country* To this clear eyed portrait of the first rock n roll superstar Bobbie Ann Mason brings a novelist's insight and the empathy of a fellow Southerner who from the first time she heard his voice on the family radio knew that Elvis was one of us Elvis Presley deftly braids the mythic and human aspects of his story capturing both the charismatic boundary breaking singer who reveled in his celebrity and the soft spoken working class Southern boy who was fatally unprepared for his success The result is a riveting tragic book that goes to the heart of the American dream **Elvis** Jerry Hopkins, 2014-07-01 Elvis Presley is the single biggest personality in American popular culture Over three decades after his death in August 1977 he remains the undisputed king of rock n roll Featuring a wealth of first hand interviews Elvis combines Jerry Hopkins's two previous classic bestselling Elvis biographies *Elvis A Biography* and *Elvis The Final Years* with all new material to give the definitive detailed account of Presley's fantastic life Inventing Elvis Mathias Haeussler, 2020-12-10 Elvis Presley stands tall as perhaps the supreme icon of 20th century U S culture But he was perceived to be deeply un American in his early years as his controversial adaptation of rhythm and blues music and gyrating on stage performances sent shockwaves through Eisenhower's conservative America and far beyond This book explores Elvis Presley's global transformation from a teenage rebel figure into one of the U S's major pop cultural embodiments from a historical perspective It shows how Elvis's rise was part of an emerging transnational youth culture whose political impact was heavily conditioned by the Cold War As well as this the book analyses Elvis's stint as G I soldier in West Germany where he acted as

an informal ambassador for the so called American way of life and was turned into a deeply patriotic figure almost overnight Yet it also suggests that Elvis s increasingly synonymous identity with U S culture ultimately proved to be a double edged sword as the excesses of his superstardom and personal decline seemingly vindicated long held stereotypes about the allegedly materialistic nature of U S society Tracing Elvis s story from his unlikely rise in the 1950s right up to his tragic death in August 1977 this book offers a riveting account of changing U S identities during the Cold War shedding fresh light on the powerful role of popular music and consumerism in shaping images of the United States during the cultural struggle between East and West

Gospel Side of Elvis Joe Moscheo,2007-08-13 Gospel music was a significant part of not only who Elvis became as a man but as an artist as well As Elvis mania continues to consume generation after generation throughout the world fans still crave new insights into the person of Elvis Presley This book takes a look at his roots and the role of gospel in his foundational years as well as the comfort solace and strength it offered him in the years of his meteoric rise in popularity With the addition of 150 Little Known facts about Elvis and eight unique appendices not included in the original hardcover book this paperback edition THE GOSPEL SIDE OF ELVIS reveals much about the Elvis so many have yet to discover and is sure to become a collector s treasure

The Quest for the Melodic Electric Bass Per Elias Drabløs,2016-03-03 The double bass the preferred bass instrument in popular music during the 1960s was challenged and subsequently superseded by the advent of a new electric bass instrument From the mid 1960s and throughout the 1970s a melismatic and inconsistent approach towards the bass role ensued which contributed to a major change in how the electric bass was used in performance and perceived in the sonic landscape of mainstream popular music Investigating the performance practice of the new melodic role of the electric bass as it appeared and disappeared in the 1960s and 1970s the book turns to the number one songs of the American Billboard Hot 100 charts between 1951 and 1982 as a prime source Through interviews with players from this era numerous transcriptions elaborations of twenty bass related features are presented These are juxtaposed with a critical study of four key players who provide the case studies for examining the performance practice of the melodic electric bass This highly original book will be of interest not only to bass players but also to popular musicologists looking for a way to instigate methodological and theoretical discussions on how to develop popular music analysis

Elvis: The King of Fashion Lorraine Gibson,2024-12-31 A marvel and celebration that contains interviews of those intimately involved in the legacy of an intensely shy and disadvantaged boy from the wrong side of Tupelo Mississippi who went on to become one of the most idolized and imitated solo performer of all time Elvis Presley s life was the ultimate rags to riches story and it was the rags as much as the riches that drove him defined him and made him the global icon he is today Born in a shack in America s Deep South in 1935 to impoverished parents struggling in the wake of the Great Depression he sprung from a life of deprivation to one of international fame and untold wealth all before he was twenty Brought up dirt poor but surrounded by love and music from birth Elvis was infused with the sounds of gospel and the

raw hard life blues of the cotton country s plantation workers And when the family radio brought country singers crooners and spiritual quartets to his young ears his musical DNA was fully formed Elvis boarding pass for the rocket ship to stardom was a voice of liquid gold and his striking appearance upgraded him to a VIP fast track ticket into the entertainment stratosphere His unique sense of style and musical talent went hand in hand in creating Elvis the Showman As a teenager before he sang a note it was his unconventional look that singled him out among his peers Later it was his voice that stopped a conservative 1950s America in its tracks This book looks at how Elvis broke down cultural and racial barriers and smiled in the face of safe dressing His bold outfits were his trademark yet no matter how dazzling they never outshone him They were also his force shield superhero costumes that protected him from anxiety pain the glare of the spotlight and in difficult times from reality It considers how Elvis s extraordinary style as much as his pioneering music defined his life and the experiences that he lived through It includes exclusive interviews with Hal Lansky whose family dressed Elvis for three decades and who advised Austin Butler on what to wear playing him in the 2022 movie Elvis Award wining producer director Steve Binder who resurrected Elvis career and put him in that black leather suit for the 1968 Comeback Special Butch and Kim Polston who maintain Elvis legacy recreating his spectacular 1970s Vegas jumpsuits including those worn by Butler Elvis The King of Fashion marvels at how an intensely shy and disadvantaged boy from the wrong side of Tupelo Mississippi went from homespun to Hollywood in the blink of an eye and became the most popular successful idolized and imitated solo performer of all time Most of all it regards the rollercoaster life of Elvis the man through a fashion lens as he strode like a colossus through the world of showbusiness dressed like The King he never quite believed he was **Elvis** Jim Curtin, Renata Ginter, 1998 The world s foremost Elvis Presley expert has collected 500 rare and intimate stories about Elvis from his childhood till his death including previously unknown items about Elvis s personal and family life accounts of his many secret romances and exploits of the Memphis Mafia 35 photos **A Bibliography of Tennessee History, 1973-1996** W. Calvin Dickinson, Eloise R. Hitchcock, 1999 With some 6 000 entries A Bibliography of Tennessee History will prove to be an invaluable resource for anyone students historians librarians genealogists engaged in researching Tennessee s rich and colorful past A sequel to Sam B Smith s invaluable 1973 work Tennessee History A Bibliography this book follows a similar format and includes published books and essays as well as many unpublished theses and dissertations that have become available during the intervening years The volume begins with sections on Reference Natural History and Native Americans Its divisions then follow the major periods of the state s history Before Statehood State Development Civil War Late Nineteenth Century Early Twentieth Century and Late Twentieth Century Sections on Literature and County Histories round out the book Included is a helpful subject index that points the reader to particular persons places incidents or topics Substantial sections in this index highlight women s history and African American history two areas in which scholarship has proliferated during the past two decades The history of entertainment in Tennessee is also well represented in this volume

including for example hundreds of citations for writings about Elvis Presley and for works that treat Nashville and Memphis as major show business centers The Literature section meanwhile includes citations for fiction and poetry relating to Tennessee history as well as for critical works about Tennessee writers Throughout the editors have strived to achieve a balance between comprehensive coverage and the need to be selective The result is a volume that will benefit researchers for years to come The Editors W Calvin Dickinson is professor of history at Tennessee Technological University Eloise R Hitchcock is head reference librarian at the University of the South
