Soldiers Of The Faith Crusaders And Moslems At War:

Soldiers of the Faith Ronald C. Finucane, 1983 **Prisoners in War** Sibylle Scheipers, 2010-02-25 The issue of prisoners in war is a highly timely topic that has received much attention from both scholars and practitioners since the start of the military operations in Afghanistan and Iraq and the ensuing legal and political problems concerning detainees in those conflicts This book analyses these contemporary problems and challenges against the background of their historical development It provides a multidisciplinary yet highly coherent perspective on the historical trajectory of legal and ethical norms in this field by integrating the historical analysis of war with a study of the emergence of the modern legal regime of prisoners in war In doing so it provides the first comprehensive study of prisoners detainees and internees in war covering a broad range of both regular and irregular wars from the crusades to contemporary counterinsurgency campaigns The book revolves around two major developments First there has been a continuous increase in the political relevance of prisoners in war in particular since the emergence of POW camps in the nineteenth century Secondly and related the growth in the legal regime pertaining to prisoners had contradictory consequences Whilst it enhanced the protection of prisoners in regular conflicts its state centric bias tends to exclude combatants who do not fit the template of regular inter state war Detainees in the war on terror embody both tendencies the development of which however is by no means a novel phenomenon This book is a project of the Oxford Leverhulme Programme on the Changing Character of War Crusaders and Muslims in Twelfth-Century Syria Shatzmiller, 2021-09-20 This volume brings together papers by Crusades experts from England France Canada and the United States discussing the confrontation between the Franks and Muslims in twelfth century Syria balancing the traditional European view with an Islamic perspective Each author s individual contribution lies in the new ideas and insights to a particular topic such as new interpretations in Crusade studies Latin jurists in the Levant the Italian colonies propagation of violence and propaganda the role of individual popes the impact on Islamic society as reflected in literature religious propaganda and diplomatic relations *Pax Britannica: Tracing Customary War Crimes in the Age of Empire* Samuel C. Duckett White, Ikhwan Fazli, 2025-04-07 The original sin of the laws of war its exclusion of non Europeans from its protection shapes discussions around criminal liability for conduct during colonial expansion This monograph disproves this position however utilising State practice across various colonial frontiers that fell to Pax Britannica In doing so the groundbreaking research highlights eight clear customary colonial wars that applied to the other across the Empire on Which the Sun Never Set Just Wars and Moral Victories David Whetham, 2009 While recognising the sophistication of the practice of medieval warfare many people still have problems reconciling the widespread use of surprise and deception with the code of chivalric warfare Was chivalry really just a meaningless veneer If true perhaps more perplexing are the many cases where surprise or deception were not employed and advantages were therefore sacrificed This work argues that understanding these apparent inconsistencies requires an appreciation of the moral and legal context of medieval strategic

thought Through taking this approach chivalric warfare can be seen for what it was a very real framework or system of rules that allowed a result or decision to be reached which could be accepted by both sides Crusaders, Condottieri, and Cannon Kagay,Villalon,2021-10-11 This volume consists of the work of eighteen established and younger scholars and focuses on the Mediterranean as a military arena during the Middle Ages The essays center on several pillars of Mediterranean warfare the crusading movement including the Spanish reconquista the development of gunpowder weaponry the widespread use of mercenaries and warfare as understood by the lawcodes and intellectuals of the period A number of articles in this collection present new answers to old historiographical questions *Crusaders, Condottieri, and Cannon* Donald Joseph Kagay,L. J. Andrew Villalon,2003 This collection of eighteen essays focuses on various phases of warfare around the medieval Mediterranean Topics of these essays range from crusading activity to the increasing use of mercenaries to the spread of gunpowder weaponry **The Church in the Early Middle Ages** G.R. Evans,2007-03-28 The creation of a new history of the Church at the beginning of the third millennium is an ambitious but necessary project Perhaps nowhere is it needed more than in re describing the Church s development its life and its thinking in the period that followed the end of the early Church in antiquity The cultural social and political dominance of Christendom in what we now call the West from about 600 1300 made the Christian Church a shaper of the modern world in respects which go far beyond its religious influence Writing with her customary authority and with a magisterial grasp of the original sources G R Evans brings this formative era vividly to life both for the student of religious history and general reader She concentrates as much on the colourful human episodes of the time as on broader institutional and intellectual developments The result is a compelling and thoroughly modern introduction to devotional and theological thought in the early Middle Ages as well as to ecclesiastical and pastoral life at large **The Patterns of War Through the Eighteenth Century** Larry H. Addington,1990 a concise highly readable survey of pre 19th century warfare Choice A remarkable tour de force covering a vast span of time different cultures warfare by land and sea Gunther Rothenberg A history of war and warfare from ancient to early modern times Larry Addington s new book completes his survey of the patterns of war in the Western world It explains not only what happened in warfare but why war in a certain time and culture took on distinct and recognizable patterns *The Study of Chivalry* Howell Chickering,Thomas H Seiler,1989-11-01 In a series of essays readers will find information about modern scholarship on the subject of chivalry and various suggestions for ways to teach some familiar and unfamiliar chivalric materials Short bibliographies are provided for teachers further use *Violence in Islamic Thought from the Qur'an to the Mongols* Robert Gleave,2015-04-14 This volume brings together some of the leading researchers on early Islamic history and thought to study the legitimacy of violence *The Geopolitics Of Super Power* Colin S. Gray,2021-10-21 What is Soviet American competition all about Is the Soviet Union a security problem that the United States must solve Or is it an insecurity condition with which the U S must learn to live and if so on what terms What kind of a player is the United

States in the great game of power politics In *The Geopolitics of Super Power* one of our most respected strategic theorists answers these and other questions In geopolitical terms Colin Gray sees the Soviet American antagonism as an enduring contest between a continental empire and a maritime coalition each with its distinctive character and purposes Gray explores the roots of the American style in foreign policy and strategy and how that style relates to defense options He identifies four broad alternatives for U S national security policy passive and active means of containment disengagement from foreign security commitments and the rollback of the Soviet empire Gray argues vigorously for active containment for the systematic deemphasis of nuclear weapons and for the intelligent use for deterrence and defense purposes of the West s great competitive strengths in the political economic and technological spheres

Islam's War Against the Crusaders W B Bartlett,2008-12-01 The Crusades continue to exert a fascination in the West as a story of perceived gallantry and battles against impossible odds Yet what is less often considered is their effect on the Holy Land and in particular the response of the Muslim world to the invasions of European Crusaders In this book W B Bartlett author of four books on the Crusades looks at these great events from the Muslim point of view One of the effects was to unite a previously divided Islamic world against a common enemy In the process they gave an unstoppable impetus towards the declaring of jihad against the West a holy war against Christendom They also helped to shape the careers of some important figures most notably Saladin but also other great men like Sultan Baibars and Nur al Din The rise of these great leaders is traced in this book as are the many great battles that were fought by men just as devoted to their cause as the Crusaders were

Medieval Warfare Maurice Hugh Keen,2001

Honour Killings and Criminal Justice Ferya Taş-Çifçi,2020-03-06 Despite recent reforms to the Turkish Penal Code the country retains a high level of honour based violence This book analyses the motives behind honour based violence in Turkey and examines the criminal justice system s approach to this type of crime The work takes a socio legal approach to explore the concepts of honour patriarchy and hierarchy along with the roles of culture and tradition It also examines how the legal system deals with this phenomenon focusing on the decisions of the criminal courts in honour killing cases and drawing on prisoner interviews These analyses show the extent to which the State follows a patriarchal approach when dealing with honour killings and inform recommendations for improving the legal and criminal justice system so as to deter crimes of this nature

The New Crusades Emran Qureshi,Michael A. Sells,2003-11-26 Not since the Crusades of the Middle Ages has Islam evoked the degree of fear hostility and ethnic and religious stereotyping that is evident throughout Western culture today As conflicts continue to proliferate around the globe the perception of a colossal unyielding and unavoidable struggle between Islam and the West has intensified These numerous conflicts both actual and ideological have revived fears of an ongoing clash of civilizations an intractable and irreconcilable conflict of values between Western cultures and an Islam that is portrayed as hostile and alien The New Crusades takes head on the idea of an emergent Cold War between Islam and the West It explores the historical political and institutional forces that have raised the specter of a

threatening and monolithic Muslim enemy and provides a nuanced critique of much received wisdom on the topic particularly the clash of civilizations theory Bringing together twelve of the most influential thinkers in Middle Eastern and religious studies including Edward Said Roy Mottahedeh and Fatema Mernissi this timely collection confronts such depictions of the Arab Islamic world showing their inner workings and how they both empower and shield from scrutiny Islamic radicals who operate from similar paradigms of inevitable and absolute conflict

The Routledge History of Global War and Society Matthew S. Muehlbauer, David J. Ulbrich, 2018-02-21 The Routledge History of Global War and Society offers a sweeping introduction to the most significant research on the causes experiences and impacts of war throughout history This collection of twenty seven essays by leading historians demonstrates how war and society studies have dramatically expanded the chronological geographic and thematic breadth of the field of military history Each chapter addresses the ways in which recent scholarship has integrated cultural ethical environmental medical and ideological factors to explain both conventional conflicts and genocide terrorism and other forms of mass violence The broad scope of the collection makes it the perfect primer for scholars and students seeking to understand the complex interactions of warfare and those affecting and affected by conflict

The Blessing of Africa Keith Augustus Burton, 2007-07-25 Keith A Burton traces the story of biblical Africa and the place of the Bible in the land of Ham He ends with an examination of the modern era and the achievements of African Christianity This invigorating work places the story of the Bible and African Christianity in a wider global context and challenges readers to think differently about history and the biblical world

Clausewitz Reconsidered H. P. Willmott, Michael B. Barrett, 2009-11-25 This fascinating book assesses Prussian military thinker Carl von Clausewitz's famous theory on warfare in relation to historical and modern day conflict and future trends Carl von Clausewitz's *On War* is arguably the most important single work ever written on the theory of warfare and military strategy In *Clausewitz Reconsidered* two prominent military historians assess his theories examining their viability at a time when asymmetric warfare and war conducted by and against nonstate actors is increasingly common and state control often ephemeral The basis of the book's analysis is an examination of war over the last four centuries since the Thirty Years War including the Cold War and subsequent conflicts What is discovered is that war is far more endemic and brutal today than when Clausewitz tried to explain it This volume explores that paradox and shows that if anything we can anticipate further uncontrolled violence The authors conclude that Clausewitz and *On War* have assumed a status akin to holy writ but are obviously dated The aim of *Clausewitz Reconsidered* is to bring the master's theories up to date providing the current generation with a new basis for thought and analysis

Soldiers Of The Faith Crusaders And Moslems At War Introduction

In today's digital age, the availability of Soldiers Of The Faith Crusaders And Moslems At War books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Soldiers Of The Faith Crusaders And Moslems At War books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Soldiers Of The Faith Crusaders And Moslems At War books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Soldiers Of The Faith Crusaders And Moslems At War versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Soldiers Of The Faith Crusaders And Moslems At War books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Soldiers Of The Faith Crusaders And Moslems At War books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Soldiers Of The Faith Crusaders And Moslems At War books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals,

making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Soldiers Of The Faith Crusaders And Moslems At War books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Soldiers Of The Faith Crusaders And Moslems At War books and manuals for download and embark on your journey of knowledge?
