Ron Hubbard, 2013-05-17 Meet Lieutenant Flint hard edged and muscle bound radiating machismo a bull of a soldier In the opposite corner stands Captain Turner with his pencil mustache and tailored shirts he's a Trick Soldier smart crisply dressed and always at attention They're fire and ice oil and water Sean Penn and Michael J Fox in Casualties of War Ten years ago and a thousand miles away they attended boot camp together They didn't get along then and they don't get along now Reunited in the Haitian jungles in the midst of a fierce rebel uprising they confront the most dangerous enemy of all each other It's time for heroes to rise and cowards to fall and in the case of Lieutenant Flint and Captain Turner bravery runs deep When brute strength confronts military honor the true measure of a man is not in his fists but in his heart A First Sergeant with the 20th United States Marine Corps Reserve Hubbard knew exactly what it meant to be a Marine As he wrote in 1935 Most of the fiction written about Marines is of an intensely dramatic type all do or die and Semper Fidelis But the reality he said was far different I've known the Corps from Quantico to Peiping from the South Pacific to the West Indies and I've never seen any flag waving The most refreshing part of the U S M C is that they get their orders and do the job and that's that It's that kind of unique and pointed insight that he brings to stories like Trick Soldier Also includes the military adventures He Walked to War in which Marine Sergeant E Z Go appears to take it easy but always gets the job done even if it

s hard as nails or dangerous as hell in the end E Z does it and Machine Gun 21 000 the story of a soldier who loses a gun and faces a court martial but finds a way to save the day      **Bioethics and Armed Conflict** Michael Gross,2006-06-16 An analysis of medical ethics during war and the inherent conflict between the principles of bioethics and the morally legitimate but competing demands of military necessity      **Rediscovering Thomas Adams** Wayne J. Caldwell,2011-06-01 Suburbanization affordable housing mass transportation loss of fertile lands these are modern problems yet they are not new Thomas Adams grappled with these same issues nearly a century ago when he wrote Rural Planning and Development a book that quickly became a touchstone for planners and planning in Canada Reprinted for the first time and updated with commentaries by leading Canadian planners this book highlights Adams influence on the planning profession and the continued relevance of his comprehensive vision for planning to move beyond the demands of the moment to embrace long term strategies for building stronger rural communities      **National Defense Authorization Act For Fiscal Year 2005---H.R. 4200..., [H.A.S.C.
