

# a soldier's song

We'll sing a song, a soldier's song,  
With cheering rousing chorus,  
As round our blazing fires we throng,  
The starry heavens o'er us;  
Impatient for the coming fight,  
And as we wait the morning's light,  
Here in the silence of the night,  
We'll chant a soldier's song.

Soldiers are we  
Whose lives are pledged to Ireland;  
Some have come  
From a land beyond the wave.  
Sworn to be free,  
No more our ancient sire land  
Shall shelter the despot or the slave.  
Tonight we man the gap of danger  
In Erin's cause, come woe or weal  
"Mid cannons" roar and rifles peal,  
We'll chant a soldier's song.

In valley green, on towering crag,  
Our fathers fought before us,  
And conquered 'neath the same old flag  
That's proudly floating o'er us.  
We're children of a fighting race,  
That never yet has known disgrace,  
And as we march, the foe to face,  
We'll chant a soldier's song.

*Soldiers of Song* Jason Wilson, 2012-11-06 The seeds of irreverent humour that inspired the likes of Wayne and Shuster and Monty Python were sown in the trenches of the First World War and The Dumbells concert parties made up of fighting soldiers were central to this process Soldiers of Song tells their story Lucky soldiers who could sing a song perform a skit or pass as a lady were taken from the line and put onstage for the benefit of their soldier audiences The intent was to bolster morale and thereby help soldiers survive the war The Dumbells popularity was not limited to troop shows along the trenches The group also managed a run in London's West End and became the first ever Canadian production to score a hit on Broadway Touring Canada for some twelve years after the war the Dumbells became a household name and made more than twenty five audio recordings If nationhood was won on the crest of Vimy Ridge it was the Dumbells who provided the country with its earliest soundtrack Pioneers of sketch comedy the Dumbells are as important to the history of Canadian theatre as they are to the cultural history of early twentieth century Canada

**The Political History in Song, Liao, Jin and Xixia Dynasty** Li Shi, The book is the volume of The Political History in Song Liao Jin and Xixia Dynasty among a series of books of Deep into China Histories The earliest known written records of the history of China date from as early as 1250 BC from the Shang dynasty c 1600 1046 BC and the Bamboo Annals 296 BC describe a Xia dynasty c 2070 1600 BC before the Shang but no writing is known from the period The Shang

ruled in the Yellow River valley which is commonly held to be the cradle of Chinese civilization. However, Neolithic civilizations originated at various cultural centers along both the Yellow River and Yangtze River. These Yellow River and Yangtze civilizations arose millennia before the Shang. With thousands of years of continuous history, China is one of the world's oldest civilizations and is regarded as one of the cradles of civilization. The Zhou dynasty (1046–256 BC) supplanted the Shang and introduced the concept of the Mandate of Heaven to justify their rule. The central Zhou government began to weaken due to external and internal pressures in the 8th century BC, and the country eventually splintered into smaller states during the Spring and Autumn period. These states became independent and warred with one another in the following Warring States period. Much of traditional Chinese culture, literature, and philosophy first developed during those troubled times. In 221 BC, Qin Shi Huang conquered the various warring states and created for himself the title of Huangdi, or emperor of the Qin, marking the beginning of imperial China. However, the oppressive government fell soon after his death and was supplanted by the longer-lived Han dynasty (206 BC–220 AD). Successive dynasties developed bureaucratic systems that enabled the emperor to control vast territories directly. In the 21 centuries from 206 BC until AD 1912, routine administrative tasks were handled by a special elite of scholar-officials. Young men well-versed in calligraphy, history, literature, and philosophy were carefully selected through difficult government examinations. China's last dynasty was the Qing (1644–1912), which was replaced by the Republic of China in 1912 and in the mainland by the People's Republic of China in 1949. Chinese history has alternated between periods of political unity and peace and periods of war and failed statehood, the most recent being the Chinese Civil War (1927–1949). China was occasionally dominated by steppe peoples, most of whom were eventually assimilated into the Han Chinese culture and population. Between eras of multiple kingdoms and warlordism, Chinese dynasties have ruled parts or all of China; in some eras, control stretched as far as Xinjiang and Tibet, as at present. Traditional culture and influences from other parts of Asia and the Western world, carried by waves of immigration, cultural assimilation, expansion, and foreign contact, form the basis of the modern culture of China.
