Street Teaching in the Tenderloin Don Stannard-Friel, 2016-11-04 This book is an ethnographic account of San Francisco's most inner city neighborhood the Tenderloin Using its streets as campus and its people as teachers Stannard Friel uses storytelling as a way of explaining why inner city social problems such as homelessness drugs prostitution untreated mental illness and death of young people by murders and suicides exist and persist there The work delves into who lives in the Tenderloin and why the role of dedicated service providers in meeting people's needs and encouraging social change and what lessons university students many coming from their own challenging backgrounds learn through community engagement and service learning that encourage understanding compassion and meaningful contributions to society The work also explores how life in the area is changing and why so many youth report that they love living in the Tenderloin

States at War, Volume 3 Richard F. Miller, 2014-11-04 While many Civil War reference books exist there is no single compendium that contains important details about the combatant states and territories that Civil War researchers can readily access for their work People looking for information about the organizations activities economies demographics and prominent personalities of Civil War states and state governments must assemble data from a variety of sources with many key sources remaining unavailable online This volume provides a crucial reference book for Civil War scholars and historians professional or amateur seeking information about Pennsylvania during the war Its principal sources include the Official Records state adjutant general reports legislative journals state and federal legislation executive speeches and proclamations on the federal and state levels and the general and special orders issued by the military authorities of both governments North and South Designed and organized for easy use this book can be read in two ways by individual state with each chapter offering a stand alone history of an individual state's war years or across states comparing reactions to the same event or solutions to the same problems

The American Novel of War Wallis R. Sanborn, III, 2012-10-30 In song verse narrative and dramatic form war literature has existed for nearly all of recorded history Accounts of war continue to occupy American bestseller lists and the stacks of American libraries This innovative work establishes the American novel of war as its own sub genre within American war literature creating standards by which such works can be classified and critically and popularly analyzed Each chapter identifies a defining characteristic analyzes existing criticism and explores the characteristic in American war novels of record Topics include violence war rhetoric the death of noncombatants and terrain as an enemy

Music, Sexuality and the Enlightenment in Mozart's Figaro, Don Giovanni and Così fan tutte Charles Ford, 2016-04-29 Music Sexuality and the Enlightenment explains how Mozart's music for *Le nozze di Figaro* *Don Giovanni* and *Così fan tutte* sounds the intentions of Da Ponte's characters and their relationships with one another Mozart by way of the infinitely generative and beautiful logic of the sonata principle did not merely interpret Da Ponte's characterizations but lent them temporal musical forms Charles Ford's analytic interpretation of these musical forms concerns processes and structures in detail and at medium to long term levels He addresses the music of a wide range of arias and ensembles and develops original ways to interpret the two largely overlooked operatic genres of *secco* recitative and finales Moreover Ford presents a new method by which to relate musical details directly to philosophical concepts and thereby the music of the operas to the inwardly contradictory thinking of the European Enlightenment This involves close readings of late eighteenth century understandings of man and nature self and other morality and transgression and gendered identities and sexuality with particular reference to contemporary writers especially Goethe Kant Laclos Rousseau Sade Schiller Sterne and Wollstonecraft The concluding discussion of the implied futures of the operas argues that their divided sexualities which are those of the Enlightenment as a whole have come to form our own unquestioned assumptions about gender differences and sexuality This along with the elegant and eloquent precision of Mozart's music is why Figaro Giovanni and Cos still maintain their vital immediacy for audiences today [The Literary World](#) ,1897 **Library of the World's Best Literature, Ancient and Modern - Volume II (Illustrated Edition) (Dodo Press)** Charles Dudley Warner, Hamilton Wright Mabie, Lucia Gilbert Runkle, 2008-03-01 Charles Dudley Warner 1829 1900 was an American essayist and novelist He worked with a surveying party in Missouri studied law at the University of Pennsylvania practiced in Chicago was assistant editor 1860 and editor 1861 1867 of The Hartford Press and after The Press was merged into The Hartford Courant was co editor with Joseph R Hawley in 1884 he joined the editorial staff of Harper's Magazine for which he conducted The Editors Drawer until 1892 when he took charge of The Editor's Study He travelled widely lectured frequently and was actively interested in prison reform city park supervision and other movements for the public good He was the first president of the National Institute of Arts and Letters He first attracted attention by the reflective sketches entitled *My Summer in a Garden* 1870 Amongst his other works are *Saunterings* 1872 *Backlog Studies* 1873 *Being a Boy* 1878 *In the Wilderness* 1878 *Captain John Smith* 1881 *Washington Irving* 1881 *A Little Journey in the World* 1889 *As We Were Saying* 1891 and *That Fortune* 1899

Maxwell's Demon and the Golden Apple Randall L. Schweller, 2014-05-01 Mixing myth entropy and Angry Birds Randall Schweller brings a novel perspective to international studies Just what exactly will follow the American century This is the question Randall L Schweller explores in his provocative assessment of international politics in the twenty first century

Schweller considers the future of world politics correlating our reliance on technology and our multitasking distracted disorganized lives with a fragmenting world order He combines the Greek myth of the Golden Apple of Discord which explains the start of the Trojan War with a look at the second law of thermodynamics or entropy In the coming age Schweller writes disorder will reign supreme as the world succumbs to entropy an irreversible process of disorganization that governs the direction of all physical changes taking place in the universe Interweaving his theory of global disorder with issues on the world stage coupled with a disquisition on board games and the cell phone app Angry Birds Schweller s thesis yields astonishing insights Maxwell s Demon and the Golden Apple will appeal to leaders of multinational corporations and government programs as well as instructors of undergraduate courses in international relations

At Home in the World

Maria DiBattista,Deborah Epstein Nord,2017-02-06 A bold new literary history that says women s writing is defined less by domestic concerns than by an engagement with public life In a bold and sweeping reevaluation of the past two centuries of women s writing At Home in the World argues that this body of work has been defined less by domestic concerns than by an active engagement with the most pressing issues of public life from class and religious divisions slavery warfare and labor unrest to democracy tyranny globalism and the clash of cultures In this new literary history Maria DiBattista and Deborah Epstein Nord contend that even the most seemingly traditional works by British American and other English language

women writers redefine the domestic sphere in ways that incorporate the concerns of public life allowing characters and authors alike to forge new emancipatory narratives The book explores works by a wide range of writers including canonical figures such as Jane Austen Charlotte Bront George Eliot Harriet Jacobs Edith Wharton Virginia Woolf Willa Cather Gertrude Stein and Toni Morrison neglected or marginalized writers like Mary Antin Tess Slesinger and Martha Gellhorn and recent and contemporary figures including Nadine Gordimer Anita Desai Edwidge Danticat and Jhumpa Lahiri DiBattista and Nord show how these writers dramatize tensions between home and the wider world through recurrent themes of sailing forth escape exploration dissent and emigration Throughout the book uncovers the undervalued public concerns of women writers who ventured into ever wider geographical cultural and political territories forging new definitions of what it means to create a home in the world The result is an enlightening reinterpretation of women s writing from the early nineteenth century to the present day

The Saturday Review of Politics, Literature, Science and Art ,1890 **Elizabeth Craven: Writer, Feminist and European** Julia Gasper,2018-04-13 Elizabeth Craven s fascinating life was full of travel love affairs and scandals but this biography the first to appear for a century is the only one to focus on her as a writer and draw attention to the full range of her output which raises her stature as an author considerably Born into the upper class of Georgian England she was pushed into marriage at sixteen to Lord Craven and became a celebrated society hostess and beauty as well as mother to seven children Though acutely conscious of her relative lack of education as a woman she ventured into writing poetry stories and plays Incompatibility and infidelities on both sides ended her marriage and she had to move to France where living in seclusion she wrote the little known feminist work Letters to Her Son In the years that followed she travelled extensively all over Europe and turned her letters into a travelogue which is one of her best known works On her return she went to live in Germany as the companion and eventually second wife of the Margrave of Ansbach At his court she organised and appeared in theatricals and wrote several more plays of great interest including The Modern Philosopher In 1792 she and the Margrave settled in England where they were never fully accepted by the more strait laced pillars of society but mixed with all the musicians and actors and the more rakish of the Regency set Craven continued to put on her own theatricals and write for the theatre In her old age she moved to Naples where she passed her time sailing gardening and writing her Memoirs Even in her final years scandal dogged her and Craven made her feminist principles and criticisms of the laws of marriage apparent through her involvement in the notorious divorce case of Queen Caroline
