Andy Kirk's Clouds of Joy came from Kansas City to find nationwide fame in the later 1930s. The many records they made between 1929 and 1949 came to exemplify the Kansas City style of jazz but they were also criticized for their populism and inauthenticity. In *The Recordings of Andy Kirk and his Clouds of Joy*, George Burrows considers these records as representing negotiations over racialized styles between black jazz musicians and the racist music industry during a vital period of popularity and change for American jazz. The book explores the way that these reformative negotiations shaped and can be heard in the recorded music. By comparing the band's appropriation of musical styles to the manipulation of masks in black forms of blackface performance both signifying and subverting racist conceptions of black authenticity, it reveals how the dynamic between black musicians, their audiences, and critics impacted upon jazz as a practice and conception.

The second half of the twentieth century saw vast changes in all aspects of percussion: the instruments themselves, playing techniques, and percussion writing, plus the huge influence of pop music, jazz, and film scores. Additionally, the revolution in travel and communications has meant that composers have become much more aware of a seemingly endless variety of ethnic instruments from around the world. Holland aims to show the world of percussion as it is today and to answer some common questions about it. Today's professional players frequently find themselves performing in many countries where the availability of percussion instruments can vary widely. *Practical Percussion* contains a section on manufacturers and suppliers all over the world. In addition to this list of manufacturers, the percussion requirements both instruments and players for some 1500 works are also listed. The foreword by Pierre Boulez further assists the reader in appreciating and understanding the richness, variety, and function of percussion instruments the world over.

Experiencing Jazz Michael Stephans, 2013-10-17
