Solomon Time:

King Solomon's Empire: The Rise, Fall, and Modern-Day Influence of an Iron-Age Ruler Archie W. N. Roy PhD, Margaret P. Roy, 2022-10-18 King Solomon is known as the wisest and richest man to have ever lived but who was this man really Even though we read his words in the Bible this man who was the son of the man after God's own heart remains a mystery to this day Even his death is veiled in conspiracy theories How could a man who was granted his greatest wish by God Himself be so enamored with the pleasures of this world hungry for sex power and more wealth In King Solomon's Empire Archie and Margaret Roy take an in depth look into the life of the wise king and the kingdom he led Through this study the reader will come to understand the time in which King Solomon ruled enter into the temple that he built for his God and follow his path to a life of striving after wind While the mystery still remains unsolved perhaps the reader will come to learn some lessons from the man and avoid some of the pitfalls in their own life as there is truly nothing new under the sun

Solomon Walter Brueggemann, 2024-07-16 Figures of legend and lore disclose much about the societies celebrating them In the ancient Israelite culture Solomon a man praised for his wealth wisdom and power is depicted as an example of enormous human achievement Looking beneath the surface of these claims Walter Brueggemann reveals an irony that permeates the tradition In this study of Solomon and his place in the larger consciousness of Israel Brueggemann considers what Old Testament narratives reveal about the ideals of the ancient Israelite people The tradition of Solomon becomes an arena for interpretive contestation in Israel and the text makes available not historical reportage but a conflicted pluralistic attempt to sort out the reality of human power in the matrix of covenantal faith Beyond the primary narrative of 1 Kings 3:11 Brueggemann evaluates the derivative traditions of Solomon in Ecclesiastes the Song of Solomon the Wisdom of Solomon and some of the Psalms He also considers references to Solomon in the New Testament and in extrascriptural traditions connected with and attributed to him Through close attention to nuances of the biblical text Brueggemann exposes the competing interpretive voices that claim to offer a reliable rendering of Solomon and invites critique of accepted beliefs
