Song of the Tree Frogs J. W. Kitson, 2017-11-07 This gripping suspenseful novel of two brothers and their abusive father explores questions of faith and forgiveness After a gruesome murder Phillip must finally face Michael alone for the first time in several months His greatest fear is whether he can find any forgiveness for the years he remained silent allowing his younger brother to suffer at the hands of Tony their sadistic father Years before the killing Tony accidentally discovered a letter written to his wife proving that she had had a passionate relationship with someone named Samuel Considering the humiliating possibility that Michael might not be his son and consumed with rage Tony s only ambition was to destroy the possible evidence of his wife s affair Now Michael is nearly sixteen years old and in the hospital barely alive While sitting alone with his brother Phillip is tormented by recurring memories he can t seem to escape and just when he realizes the hopelessness of his life without Michael Samuel the man who wrote the letter to the boys mother arrives at the hospital Samuel is confronted with the terrifying reality that he may have missed his only chance to meet the young man he suspects is his son and refuses to abandon the boys to their barbaric life Phillip and Michael have only known hatred in their lives and Samuel and his wife want nothing more than to offer the brothers a chance to learn that love conquers all things a reality Phillip must embrace if he is ever going to make peace with Michael and himself especially after the brutal death that changed everything

Song of the Trees Fay Clayton,1972

Song of Songs Gianni Barbiero,2011-04-26 This book puts forward an interpretation of the Canticle which is alert to the literal sense of the poem The author thus distances himself both from the allegorical interpretation and from an interpretation that is purely secular According to the author the Song offers a theological vision of human love Barbiero sees the Song as composed in the third century BC in the Hellenistic epoch but also as hugely dependent on the love poetry of the Ancient Near East particularly that of Egypt Above all however the Song was composed in dialogue with the other books of the Old Testament especially in contrast with the negative view of sexuality which they represent The study pays particular attention to the structure of the poem and of the individual cantos for Barbiero the Song is a closely unitary work and is only to be understood as a whole
