The Basics of Adoption James L. Dickerson, Mardi Allen, 2006-09-30 With about 70 000 domestic and international adoptions each year in the United States and Canada adoption remains a major means of building families in both countries Its continued success can be inferred not only from the yearly statistics but from a report issued in 2003 by the U S Census Bureau To the surprise of many the report announced the existence of 1 6 million adopted children in the U S under the age of eighteen Written by a former social worker who has placed hundreds of children in foster and adoptive homes and a clinical psychologist who has counseled adopted children and parents this book offers a comprehensive look at the adoption process by merging the best of social work with the best of psychology Adoption can be a frustrating and intimidating undertaking for the unprepared This guide provides prospective adoptive parents with the insider information that they need to navigate the process and it provides students with the sort of expert opinion that they need to grasp the academic theory they receive in the classroom *Messages Men Hear* Ian M. Harris, 2004-08-02 Why do men behave the way they do The science of gender studies is less than 25 years old and it is only recently that scholars and popular authors interested in gender have started to examine the issues associated with masculinity This text is based on over 10 years research and constructs a comprehensive theory of masculinity by exploring in great detail how men form their gender identities and how those identities influence their behaviour The book examines the influence of 24 male messages or gender norms such as be like your father faithful husband superman and nurturer that represent cultural expectations for masculinity in western societies Drawing on a diverse sample of over 500 men from different classes backgrounds races and ethnic groups the

author describes how men learn these messages how individual men respond to them and how their influence changes over the course of a man's life This accessible text presents a general framework for masculinity and breaks new ground in understanding the construction of male gender identity

A Single Mother's Journey Ruth Brown, 2019-05-24 Life as a single mother is never easy World conditions financial difficulties children displaying outrageous behavior are just some of the many challenges that a single mother faces each day Without the other half of the parental equation maintaining the home becomes twice as difficult Without God in the midst this experience is virtually impossible to have a positive outcome However all is not lost Hope and a better tomorrow is always available in abundant supply With God all things are possible This aims to present a perspective that there is a bright light at the end of this tunnel Perseverance is one of the vehicles to get there

Why Lawyers Behave As They Do Paul G. Haskell, 2018-03-08 In *Why Lawyers Behave as They Do* Paul Haskell explains the professional rules that govern how lawyers behave and which permissor require conduct that laypersons may find unethical In his criticism of the traditional role of lawyers Haskell proposes an alternative and controversial model of behavior Over the past five years the American Bar Association and legal educators themselves have been expanding the discussion of professional responsibility Traditionalists state that lawyers must maximize the gain for their client regardless of whether that means turning a blind eye to behavior or facts which may serve justice but hinder the client's case In *Why Lawyers Behave as They Do* Paul Haskell explains the professional rules that govern how lawyers behave and which permissor require conduct that laypersons may find unethical In his criticism of the traditional role of lawyers Haskell proposes an alternative and controversial model of behavior

Mothers and Sons Andrea O'Reilly, 2002-06-01 The relationship between mothers and sons has been explored for ages From Oedipus to Al Brooks Mother we are fascinated by the familial bond between a mother and her son This groundbreaking work looks at many untouched areas of the mother son relationship including race sexuality and ability The contributors to this collection speak from the heart and explore how the institution of motherhood oppresses women impedes mother son identification and fosters sexism The impact of the feminist movement on the mother son relationship which has been previously neglected in literature is explored in depth in *Mothers and Sons* _ These deeply personal reflections includes stories of lesbian mothers identifying challenges in raising sons in our heterosexist culture as well as black mothers and sons and Jewish mothers For all with an interest in family issues gender issues or a new perspective on mothering this book is a must read
