Sorry No Vacancy:

Habitation Et Les Citoyens ,1976 *The No Tell Motel* Cathy Hunter,2022-08-01 It was no surprise that I was ill prepared for my new life on skid row working as the live in manager for a run down sleazy motel I went from enjoying my sheltered existence of weekly book club gatherings and G rated luncheons with church friends to rubbing shoulders with hard core drug dealers and assisting local police with busting criminals A cyborg child molester giant and kleptomaniac in the Witness Protection Program were just a few of the interesting boarders I had to oversee with each person more unpredictable than the next My Christian upbringings taught me long ago to reserve all judgment of others so I ll leave that to you These are the true and humorous stories of my dealings with the seedy and often criminal guests of the No Tell Motel
