affair back on Betazed And even now many years later Riker will embark on a desperate journey across time and space to save Deanna s life But Riker is not the only Starfleet officer to capture Deanna s heart Lieutenant Commander Worf the fierce Klingon warrior is also drawn to Deanna s gentle and caring nature Brought together by fate he and Deanna share an unexpected passion that tests the bonds between Troi and Riker even as a deadly Romulan conspiracy threatens them all

The Beat Is Yours Forever Peter Yirrell,2008-08 Do you have a dream Most of us do and Luke Marshall is no exception Writing music is his hobby but could it also be his ticket out of a South London backwater his escape from a dead end job Kenny English the most successful lyricist of his generation has lived the dream Now several platinum discs and three multi million pound divorces later Kenny faces bankruptcy unless he can find a new composer Forever for All R. Michael Perry,2000 This book considers the problems of death and the hereafter and how these ages old problems ought to be addressed in light of our continuing progress A materialistic viewpoint of reality is assumed denying the likelihood of supernatural or other superhuman assistance Death however is not seen as inevitable or even irreversible it is maintained that the problem can and should be addressed scientifically in all of its aspects The book thus follows recent immortalist thinking that places hopes in future advances in our understanding and technology A functionalist reductionist argument is developed for the possibility of resurrecting the dead through the eventual creation of replicas and related constructs Meanwhile it is urged medical advances leading to the conquest of biological death should be pursued along with cryonics freezing the newly deceased for possible eventual reanimation A common ground thus is sought between two hitherto largely independent strands of scientific immortalism the one based on hopes in a remote but hyperadvanced future the other on the nearer term prospects of presently advancing technology The resulting philosophy encompassing both past and future is directed toward the long term interests of each sentient being and it thereby acquires a moral dimension The immortalization of humans and other life forms is seen as a great moral project and labor of love that will unite us in a common cause and provide a meaningful destiny A rational and thorough exploration of human potential Few have considered much less visualized the profound changes set to occur over the next few decades through exponential advances in science and philosophy Mike Perry has and he shares his vision with eloquence Jim Halperin author of The Truth Machine and The First Immortal **Forever Promised** Amy Lane,2013-06-28 Keeping Promise Rock Book Four Crick has been home from Iraq for five years Jeff and Collin are finally married and Shane and Mikhail are quietly making lives better for the dispossessed teenagers who come their way Everything is right in Deacon s world but nothing ever stays the same When Deacon s best friends Jon and Amy answer the call of an opportunity in Washington DC Deacon figures that s life You love people and they leave you and you survive Even Benny Crick s little sister is close to grown and ready to start her own future But Benny loves Deacon and she owes him she may move beyond The Pulpit and Levee Oaks one day but not without leaving something of herself behind And so she offers Deacon and Crick an amazing gift and a terrifying decision Benny s offer forces Deacon and

Crick to dredge up every past mistake and offer of redemption And not just the two of them everybody is forced to examine the chances they've been given and the promises they've made In a real family a child is a promise and to the men and women of Promise Rock keeping that promise will change their lives forever

Should You Choose to Live Forever?

Stephen Cave, John Martin Fischer, 2023-11-22 In this book Stephen Cave and John Martin Fischer debate whether or not we should choose to live forever This ancient question is as topical as ever while billions of people believe they will live forever in an otherworldly realm billions of dollars are currently being poured into anti ageing research in the hope that we will be able to radically extend our lives on earth But are we wise to wish for immortality What would it mean for each of us as individuals for society and for the planet In this lively and accessible debate the authors introduce the main arguments for and against living forever along with some new ones They draw on examples from myth and literature as well as new thought experiments in order to bring the arguments to life Cave contends that the aspiring immortalist is stuck on the horns of a series of dilemmas such as boredom and meaninglessness or overpopulation and social injustice Fischer argues that there is a vision of radically longer lives that is both recognizably human and desirable This book offers both students and experienced philosophers a provocative new guide to a topic of perennial importance

Key Features Gives a comprehensive overview of the main arguments for and against living forever Uses lively examples from myth literature and novel thought experiments Highly accessible avoiding jargon and assuming no prior knowledge without sacrificing intellectual rigour Includes helpful pedagogical features including chapter summaries an annotated reading list a glossary and clear examples

Forever and Ever Ethan Porter, 2017-09-25 Forever and Ever By Ethan Porter What happens when the spirit of life is taken away too soon This is something that twelve year old Everett knows all too well Time brings him closer to his best friend Katie a confident girl who has a zest for everything in her life However when Katie becomes gravely ill Everett wants to provide her everything she desires from life including marriage But how is that possible Inspired by real childhood friends Forever and Ever is a story about determination and faith in the darkest of times and will leave its reader with the satisfaction that unconditional love overcomes all
