Cosmic Fusion Mantak Chia, 2007-08-27 A guide to the advanced practice of Inner Alchemy which brings the physical body into balance with the energy body. Presents the second level of Inner Alchemy practices that use the eight forces of the pakua bagwa to collect, gather, and condense chi in the body. Explains how to balance negative emotional energy with positive energy to detoxify, nourish, and integrate the physical and the energy body with the forces of nature. Shows how to collect and channel the greater energies of the stars and planets to create unity between what is above and below. Cosmic Fusion is an advanced level of Inner Alchemy that teaches how to bring the physical body into balance with the energy body, a necessary prerequisite for the formation of the universal body, the pearl of compassion that is one with Original Creation and the Universal Tao. Cosmic Fusion works with the expression of the eight pakua bagwa of Chinese cosmology through which all creation is divided and given form, nature and definition. Cosmic Fusion exercises establish the spiritual body firmly in the lower abdomen where chi energy is gathered and distributed to all parts of the body and into all creation. The fully illustrated exercises in this book also show how to collect and channel the greater energies of the stars and planets. By fusing all these different energies together, a harmonious whole is created, a unity of what is above and below. As heavenly and earthly forces are brought into balance, the life perfectly suited to the practitioner manifests, allowing the spirit body to prepare to move into worlds beyond and back.

Healing Light of the Tao Mantak Chia, 2008-05-27 The guide to engaging and directing the three primordial forces of Earth, Heaven, and Higher Self to achieve enlightenment and immortality. Explains how to circulate the life force or chi by balancing yang (male) and yin (female) currents of bioenergy. Includes an overview of the complete Taoist body-mind-spirit system along with newly refined methods of activating the life force. The sequel to the classic *Awaken Healing Energy Through the Tao*. In 1983, Mantak Chia introduced the Microcosmic Orbit to the West. Prior to that time, most of the Eastern energy practices transmitted to the West were incomplete, dealing only with the ascending yang (masculine) channel which shoots life force energy up the spine. The Microcosmic Orbit showed practitioners how to establish the descending yin (feminine) channel of the life force energy loop. Within Taoist systems, cultivating feminine energy has always been seen as the key to gaining balance and wholeness. *Healing Light of the Tao* presents the more advanced methods of chi

cultivation in the Microcosmic Orbit offering a full understanding of Taoist spiritual theory through its comprehensive overview of the complete Taoist body mind spirit system The book also includes more advanced meditation methods for absorbing the higher frequencies of Earth Force Cosmic Force and Universal Force Heavenly chi into the basic orbit It establishes a spiritual science that not only emphasizes practical benefits to health sexual vitality and emotional balance but also shows how changes made in the energy body can lead to physical rejuvenation that the Taoists called immortality
