Soul Of Recovery:

The Soul of Recovery Christopher D. Ringwald, 2002 Ringwald illuminates the use of spirituality within a wide range of treatment options Combining in depth research with powerful personal accounts this fascinating exploration of spirituality will provide a fuller understanding of the nature of addiction and how people overcome it **Soul Recovery and**

Extraction Eileen Nauman, 2009-04-01 SOUL RECOVERY is about regaining the fragments of one s soul energy that have been trapped lost or stolen either by another person or through a traumatic incident that has occurred in one s life Taking back control of your life is at the heart of this shamanistic healing method Here are a few signs of soul loss DEPRESSION MEMORY LOSS ESPECIALLY FROM YOUR YOUTH ADDICTIVE BEHAVIOR CODEPENDENCE OBESITY IN ABILITY TO RELEASE A PERSON OR SITUATION BEING CONTROLLED OR MANIPULATED BY OTHERS VICTIM S MENTALITY With soul recovery and Extraction an ancient shamanic healing method you can recover your pieces and once again be back in control of your life Soul Recovery and Extraction Eileen Nauman, Ai Gvhdi Waya, 2014-10-01 Spiritually one can lose a

soul piece by giving power away to someone or something else Soul recovery is about regaining the fragments of one s soul energy that have been trapped lost or stolen either by another person or lost through a traumatic incident The heart of this shamanistic healing method is taking back control of your life Shamanism in the simplest definition is the ability of an individual to move into an altered state and travel the inner dimensions of what we call nonphysical reality This technique is as old as human existence It is practiced around the world and in the past decade it has been reintroduced to Western civilization although among indigenous cultures shamanism continues to be practiced as a healing tool without interruption Extraction is another tool within the shamanistic tradition that dissolves blocks from our bodies or the aura of electromagnetic energy that surrounds us These blocks can affect us physically as well as mentally emotionally or spiritually and with a shaman s expertise they can be removed **Soul Recovery** Amelia Hartfield, 2025-10-16 Reclaim Your Power

Operation Soul Recovery Sheryl J. Stevens, 2003-06 An alarming problem is raging out of control in our country and world Statistics say that proportionately everyone knows at least one or more persons if not themselves who is stricken with an addiction or another form of mental illness On one hand we appear to be making an attempt to deal with the problems On the other hand the weakness of the methods along with the lack of conviction have left barely a scratch on the surface of what is fast becoming an epidemic And producing in its wake is a multidimensional negative effect upon all of society The inherited shame and denial that have accompanied these disorders for centuries still prevent us from dealing with them forthrightly However in the past the number of victims did not present a significant threat to the safety and welfare of civilization Nor then were the defining lines of right and wrong so clouded with controversy Now we have neither situation to our benefit Perhaps compromising values has tended to cause a blending effect making it much more difficult to lead them out of their disconnected conditions If we cannot provide the afflicted with a substantial lifeline of recovery then the existing situation is like the blind leading the blind We consider every illness of the body with the greatest of care yet what good is a healthy body if it must live with a tormented soul Somehow we fail to see the connection between the escalating violence that goes on in the world and the rising turmoil of mind and spirit disorders that exist largely unattended not to mention the millions who suffer unmercifully in silence It is an issue of urgency that needs to be clearly acknowledged on all fronts and raised from the bottom to the top of our priorities It is probable that a real turnabout must stem from those who have been struck by these devastating circumstances within their own circle of loved ones There is no greater passion against evil than that which is born from such intense personal pain and remains the most important element in revolutionizing this wanton dilemma Possibly the final cure will not be found in books and theories but in the depths of wounded hearts If we have the will to survive and find purpose in the tragedies they can change us rearrange our perspectives give us wisdom in ways otherwise unimaginable The place to start is a real awakening to the consequences of evil that have been brought upon society by these forgotten diseases Only then we are ready to fathom what must be done After nearly two decades of watching my youngest daughter evolve from a lovely young girl to a stranger battling multiple addictions moreover witnessing the ineffectiveness of the entire range of recovery systems within our reach the results were utterly heartbreaking However out of these adversities would come an amazing vision extraordinary in nature yet altogether possible It was a phenomenon which could indeed change the course of all that falls under the umbrella of mental illness Ultimately this vision was the inspiration for writing Operation Soul Recovery

Soul Recovery - 12 Keys to Healing Dependence Ester

Nicholson, Ben Dowling, Michael Bernard Beckwith, 2015-02-11 Ester Nicholson's Soul Recovery unlocks and heals the patterns of dependence as they show up in substance abuse food relationships and other addiction like behaviors that cause many of us to suffer and fail Ester bravely shares her own inspiring journey from cocaine addiction and domestic abuse to a healthy life of wholeness serenity and success as a speaker teacher practitioner therapist and world renowned singer with Bette Midler and Rod Stewart This east to follow program of study and daily practice contains a powerful spiritual technology that will empower and carry you to greater fulfillment and joy no matter what you've experienced thought or done in the past These 12 Keys saved Ester's life Soul Recovery changes life long patterns to create a profound self awareness that dissolves dependence whether big or small Its lessons and exercises are universally applicable to people of all ages and experience
