human and remind us that we're spirits first. They help us become our best selves. They are catalysts, enhancers for our spiritual growth. And we all have more than one Soulmates may love us but they also confuse us, confound us, irritate us, disappoint us and often bring us indescribable joy and delight in living. Just by being in our lives reminding us of the power of soul to soul connection, soulmates help us transform from humans with occasional spiritual connections to spiritual beings aware of the importance of human connections, human bodies, human lives. In *Natural Born Soulmates*, Dr. Lauren Thibodeau destroys what she calls the soulmate myth made famous by the line "you complete me" from the 1996 movie *Jerry Maguire*. Through a series of simple self-assessments she developed, Dr. Lauren Thibodeau then teaches us to access our inner wisdom to discern what vibe we're sending out and to determine what level of connection we're experiencing in any given soulmate relationship. There are soulmates out there to whom we can honestly say "You enhance me" which is exactly what soul to soul connections do: make us better than we were before. This groundbreaking book will help readers to recognize their soulmates, past, present, and future. Attract new soulmates, romantic ones included. Improve relationships with existing soulmates. Learn from their soulmate relationships so they don't need to repeat the experience. For anyone ready to find their true soulmate, this powerful book is an important and necessary guide.

Elaborate Lives Jaye Viner, 2023-04-20. In life as in film, fight for the role you want. An aspiring film director with anger management issues is sent to therapy or lose his job. Instead of doing the hard work of improving himself, he invites his troubled celebrity therapist to stage a fake romance with him so they can manipulate the Hollywood PR machine to fix their reputations. Larisa de France Kahn is the daughter of a model and a famous film producer, born to host formal dinners and adorn the arm of a powerful man, but she's determined to thwart her fate by graduating from her psychiatry residency and practicing emergency medicine as an anonymous citizen if only her mother will stop sending her on blind dates with billionaires who would like to make Larisa their trophy wife. The separation between Larisa's celebrity and professional lives is threatened when a producer friend of her father sends one of his directors to Larisa for counseling. Quinn VanderVeer might be the greatest filmmaker of his generation, but he's so insecure he's turned everyone against him. He comes to Larisa in the middle of a nasty breakup, questions about his sexuality, and mounting pressure on the set of his first big budget production. She could help him if only he would see her as an ally instead of the woman who could reveal him as the imposter he feels he is. As Larisa works to tear down Quinn's walls, she also must work against walls of her own, holding them up against her belief that her education has made her unlovable and her psychiatry skills make her intimidating to men who want to be in control. Together they might become an industry power couple, but first they'll have to trust each other with their deepest fears and secret desires.
